TITANIC TOMES!

IN THIS ISSUE: TITANIC TOMES!

Omnibus and deluxe editions have become one of comics' most popular ongoing formats; huge hardcover volumes that collect within their covers a large chunk of a comic book series. What makes a "Titanic Tome"? First and foremost, it's a volume's overall size. Whether a book stretches its format past the standard 7" x 10" or 8" x 11" sizes or pushes its page-count into upper digits past 200 pages, size does matter! And this month we're celebrating these massive collections throughout the issue, just look for the "Titanic Tomes" icon!

And ***PREVIEWS*** Editor Marty Grosser sings the praises of his comic book hero Jack "King" Kirby in his TITANIC TOMES article, "KING-Sized Kollections", highlighting some of the best big books and collections of the comics legend's classic works! Find it on pages 222-223 of this issue!

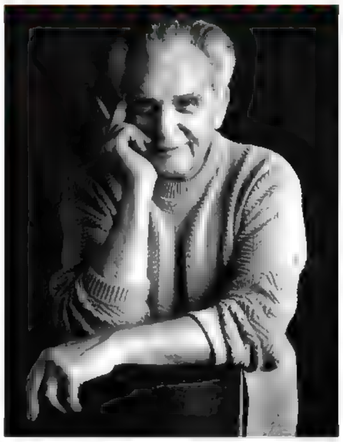
SEASONS GREETINGS!

2018 is coming to a close. And that means twelve more issues of ***PREVIEWS*** to be added to my personal library. Like the classic Xmas "wishbook" catalogs of yesteryear from retail giants like Montgomery Ward, Sears, and J.C. Penny, each issue of ***PREVIEWS***, no matter the month, was like a holiday wishbook… each issue holding items that fans and collectors just had to have. You can bet that within our 363rd issue you now hold in your hands (or are currently reading on our snazzy new ***PREVIEWS*** app), there are going to be great items in this issue that you just simply must have! I know I have my eye on a few things in this very issue!

This month we're once again celebrating *TITANIC TOMES*, the oversized, hefty collected editions that can double as a doorstop or makeshift tabletop! These giant editions collect some of our favorite comic series, new and old, and even show us what they look like before publication with the Artist's Edition hardcovers. You can bet that we have plenty of great collected and oversized editions highlighted throughout this issue…

I've even contributed to the this issue's theme with my article, *"KING-Sized Kollections"*, featuring my recommendations for *TITANIC TOMES* that collect the works of my comic book hero,



was fortunate over the years to not only discover Kirby at an early age, but I eventually went on to meet him at the comic shop I worked at in California, and later interviewed him for ***PREVIEWS***. He was a soft-spoken, genuinely nice man, and undoubtedly one of the greatest comics artists of any era. Everyone should have some Kirby in their collection!

Looking forward to next issue, ***PREVIEWS*** #364 will reveal the all-new titles to be available for during ***FREE COMIC BOOK DAY 2019*** on Saturday, May 4th—which also just happens to be *"Star Wars Day"*, too! We'll showcase 50 new comics that will be made available, FREE of charge, just for visiting a participating retailer. And of course, we'll also be unveiling our annual FCBD Commemorative T-Shirt, illustrated by another fan-favorite artist (to be revealed)!

FREE COMIC BOOK DAY

And finally, in closing, on behalf of the entire Diamond family and our intrepid ***PREVIEWS*** crew, I'd like to wish you all the happiest of Holiday seasons! What can I say? I feel like the luckiest guy on Earth for getting to do what I do every month! We're proud and happy to bring you ***PREVIEWS*** each month, and hope we'll see you all back here next month for our first issue of 2019 and the big FCBD reveal!

Your Pal @ ***PREVIEWS***,

Marty

It's all work *and* lots of fun at the fictional Berke's Comic Shop in our new strip, ***Comic Shop Tales***! Come back each month for a new tale, and go online at ***PREVIEWS*****world.com** for more strips during the month!

Library of Congress Launches First Exhibit of Geppi Collection

Just five months after his gift to the nation's library was revealed, Diamond Comic Distributors President and CEO Steve Geppi stood at the podium for the announcement that the Library of Congress will open a new display of select items from the Stephen A. Geppi Collection of Comics and Graphic Arts from November 6, 2018, through February 11, 2019, in the Great Hall of the historic Thomas Jefferson Building, 10 First Street, SE, Washington, DC.

Geppi's multi-million-dollar donation of more than 3,000 items from his personal comic book and pop culture collection to The Library of Congress was announced by Dr. Carla Hayden, the Librarian of Congress, on Wednesday, May 30, 2018. It encompassed comic books, photos, posters, original comic book and comic strip art, newspapers, pinback buttons, and other rare, vintage pop culture artifacts.

CBCS Changes Price Variants Labels

CBCS has changed how information on some price variants will be displayed on their labels. They'll now use "Price Variant" with the issue cover price. Previously, a comic printed in Canada, with a 75¢ price was designated as a *Canadian Edition*. Now that comic will be defined as a 75¢ Canadian Price Variant.

Comics bearing pricing by region that was based on the exchange rate or currency of Canada, Australia, and the U.K. were notated as editions from those countries in the past. CBCS made the decision to change the description of these types of books in order to provide greater clarity and information as well as to respond to growing collector demand for clearer identification.

Agent Firearm, Locked and Loaded

Malibu Comics' Ultraverse imprint title *Firearm* was about private investigator Alec Swan who was continuously involved in ultra-humans cases. Created by writer James Robinson and artists Howard Chaykin and Cully Hamner, the series included a #0, VHS short film, and 18 issues.

Swan was a member of the British Special Boat Service, followed by service as an agent of England's covert agency, the Lodge, where he used a special gun and earned the codename Firearm. After leaving the Lodge, Firearm moved to the U.S. to become a private investigator. Though hoping for a simpler life, he still got pulled into bizarre cases.

- **Lady Death (Ongoing) Vol. 1 TP** (OCT110949)
- **Lady Death Rules! Vol. 1 TP** (APR171524)

Brief Bio...

Brian Pulido, publisher of Coffin Comics, created *Lady Death*, *Evil Ernie* and *Purgatori* among others. He founded Chaos! Comics in the '90s and he's written or published comics based on *Halloween*, *A Nightmare on Elm Street*, *Chucky*, *Texas Chainsaw Massacre*, and the *WWE*. He's a recipient of Comic Con San Diego's Inkpot Award, the Comic Book Legal Defense Fund's "Defender of Liberty" Award, and is on the board of directors for the Hero Initiative. He lives in Arizona with his wife Francisca and dogs Max and Ember.

What got you into comic books? Not as a pro but as a reader?

I began reading and collecting comics as early as 1974. I would see them at the local flea market and was fascinated by the interplay of words and pictures. I read everything but gravitated toward Marvel Monster books and Warren's *Creepy* and *Eerie* magazines.

What was the moment or thing that prompted you to independently produce your own book?

My entry into publishing came from a distinct need; my former publisher dropped me, and other publishers passed on my work. I saw a need that was not filled in the market and decided to take a run at it, launching the classic Chaos! Comics line in the 1994.

What fun titles are you reading?

I'm enjoying *The Walking Dead* (*Vol. 1 HC* / SEP110441), it's great to have a long running creative team on a book! *Redneck* (*Vol. 1: Deep in the Heart* / AUG170579) and anything Donny Cates writes, because his work has a distinct energy! And *Zombie Tramp* (*DLX Year One HC* / MAY161021) because Dan Mendoza is a bad-ass! I'm also enjoying Jason Aaron's run on *The Avengers* (*by Jason Aaron Vol. 1: Final Host* / JUL181176) right now, and it's a wondrous blast!

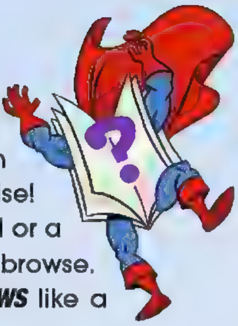
USER'S GUIDE

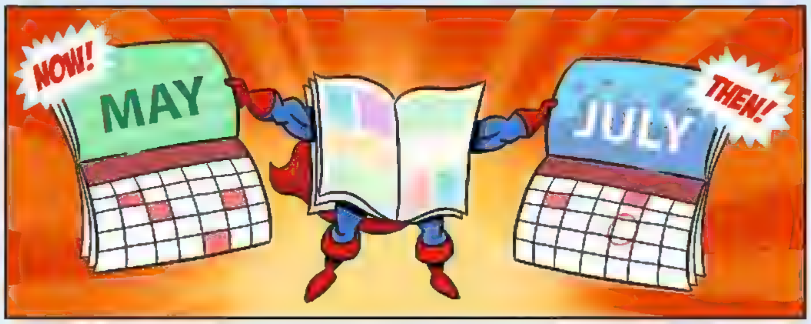
Learn How to Use *PREVIEWS* to Order From Your Comic Shop!



There's *a lot* of awesome comics and products to look through in ***PREVIEWS***. "A lot" might be a bit of an understatement, as each month's catalog is filled with hundreds and *hundreds* of pages of upcoming comics and related merchandise! It can be easy to accidentally overlook a new series you've been dying to read or a figure you've been pining to add to your shelf when there's so many things to browse. That's why we've put together this guide to help you learn how to use ***PREVIEWS*** like a pro to order the awesome titles and products you want!

WHAT EXACTLY IS *PREVIEWS*?

PREVIEWS is part catalog, part magazine (we call it a *Mag-a-log*!) of monthly listings of all of the upcoming comic titles and related products from your favorite publishers and manufacturers in one convenient place. And don't worry—***PREVIEWS*** is organized by publisher and product type (and color-coded to boot!), to make it easy to find and flip to the section or items you're looking for. Each item listing has the information you need, such as format, size, page count, price, release date, stock or item code, and descriptive text, and nearly every listing is accompanied by artwork or images.



NOW!
MAY
JULY
THEN!

The most important aspect of ***PREVIEWS*** to remember is that **items solicited in the catalog are anticipated to ship 2-3 months later** (or more). For example, if you found a comic you wanted in the May issue of ***PREVIEWS***, you can expect to see it turn up in your local comic shop in July. The catalog can be a great resource for figuring out where your favorite comic series is going, or for discovering new ones that you'll want to add to your library—not to mention all the other awesome products!

HOW DO I ORDER FROM *PREVIEWS*?

When you've picked out all of the items you want, you can fill out the **Short Order Form** included in your copy of ***PREVIEWS*** and submit it to your local comic shop. You can also ask your friendly neighborhood retailer about obtaining a **Customer Order Form**, a booklet that contains a complete listing of all the items made available for that month. These forms make pre-ordering your comics and products a breeze and can help your local comic shop decide what to stock in the store for other customers, too! Be sure to also ask your retailer about their **pullbox or subscription service**. Once you've submitted your order, you can sit back and relax, or try to contain your excitement until your comics and merchandise arrive!

PREVIEWS LEGEND

Throughout this issue of ***PREVIEWS***, you'll find a variety of symbols and terms that will help you in selecting items from this catalog. Here's what they mean:

Gems of the Month

The top offerings, as chosen by our Premier Publishers—these are the best bets in comics whether it's the next high-profile project or a new ongoing series.

Featured Items

In other sections, you'll find Featured Items, the top monthly products offered in their categories.

Spotlight On

These items are not to be missed; highlighted to get your attention.

PREVIEWS Exclusive

These are items available only through ***PREVIEWS*** ! When you see this icon, you'll know you're ordering a limited item found nowhere else!

Featured Theme

Each month, ***PREVIEWS*** features a different theme to highlight certain titles and products. Look for that month's themed icon to find these selected items.

Certified Cool

Are you looking for the next title that pushes the envelope? Then try out one of our Certified Cool titles; books specially earmarked for readers who are looking for something a little different.

Staff Pick

This icon denotes items that have been reviewed by our staff and are worthy of a second look!

Indie Edge

The cutting edge of independent comics and creators, look for this icon on selected titles throughout the Comics & Graphic Novels section.

Essential Item

These are best-selling backlist items that are available for immediate order from your local comic shop. If your shop doesn't have a copy in store, they can order one for you and have in less than a week!

Offered Again (O/A)

These items have been previously offered before in ***PREVIEWS*** and are being made available again.

PI or Please Inquire

Your store will set the price for all "Please Inquire" items — check with your retailer for the price on these items.

MSRP or SRP

Manufacturer's/Suggested Retail Price. These designations provide suggested pricing information for a majority of items not carrying a retail price. Actual prices may vary depending upon market conditions. Please check with your retailer.

Caution (CAUT: #-#-#)

Cautions listed at the end of catalog descriptions indicate an item that may ship late or otherwise diverge from its ***PREVIEWS*** description. These codes are separated into three categories:

International Rights (I-Rights) — the item is restricted into what countries it can be sold.
0 = No International Rights restriction;
1 = International Rights are restricted.
Content Changes — the content may change after solicitation.

THE AVENGERS STAND AGAINST THE FALL OF NIGHT ACROSS THE UNIVERSE

Darkness falls across the universe, and seven Avengers and one surprising ally join forces to restore the light in Marvel Comics' new weekly *Avengers* event, *Avengers: No Road Home!*

An enemy, one that has destroyed even gods, has cast a pall of darkness across the universe. A team of Avengers, including Scarlet Witch, Vision, Hercules, the Hulk, Hawkeye, and Rocket Raccoon join forces, along with the forgotten Avenger, Voyager, to find the Shards of Night and bring an end to the universal darkness! The stakes are high, the personal challenges great, and the fate of the universe rests in their hands!

Al Ewing, Jim Zub, and Mark Waid, the writers behind the best-selling *Avengers: No Surrender*, reunite for another weekly *Avengers* event, *Avengers: No Road Home*, with artist Paco Medina.

Cosmic adventure, high-stakes action, sharp characterization, and epic visuals combine in *Avengers: No Road Home*, a weekly event that no comics fan will want to miss that begins this February!

MARCH'S HELLBOY DAY CELEBRATES 25 YEARS OF THE WORLD'S GREATEST PARANORMAL DETECTIVE

In March 1994, Dark Horse Comics published Mike Mignola's *Hellboy: Seed of Destruction* #1, introducing the world, after a brief cameo in the pages of John Byrne's *Next Men*, to Hellboy, the child of Hell summoned to Earth by a Nazi experiment who becomes Earth's champion against the forces of darkness and the World's Greatest Paranormal Detective.

Dark Horse Comics has set March 23rd as Hellboy Day, an event to celebrate Mike Mignola's most famous creation. Fans will find promotional items like temporary tattoos, buttons, bookmarks, and more, as well as a special 25th-anniversary edition of *Hellboy: Seed of Destruction* #1.

Celebrate one of comics' most remarkable creations this March!

BEHIND EVERY DOOR IS ANOTHER DIMENSION!

Three teens take a summer job with their distant relative only to find that her rundown hotel is a multi-dimensional nexus! A season of boring cleaning and maintenance quickly morphs into a whirlwind of world-hopping wonder for the trio with the housekeeper's keys. They'll learn too late that the unlocking of doors is a very difference business than the locking of them, when worlds start seeping out of their rooms, mixing in a maelstrom that threatens to tear down the whole hotel!

Hotel Dare, an original graphic novel from BOOM! Studios' creators Terry Blas (*The Amazing World of Gumball*) and Claudia Aguirre (*Kim & Kim*), hits stores this April!

In summer months, who doesn't look forward to the sound of an ice cream truck's bell? For the galaxy's most dangerous criminals, the sound of an ice cream truck's bell is something they never want to hear because, for them, it is a harbinger of death in the new Image Comics series from Mark Millar and Simone Bianchi, *Sharkey the Bounty Hunter!*

Sharkey is rough and tumble blue collar guy, one who happens to be very good at his job. He has a ten year-old partner, and they travel the galaxy, taking down the galaxy's worst scum, in his rocket powered ice cream truck. The result is mayhem as only Mark Millar could write and Simone Bianchi can illustrate!

Pick up Image Comics' *Sharkey the Bounty Hunter* #1 this February, or else you're going to be hearing that ice cream truck bell of doom!

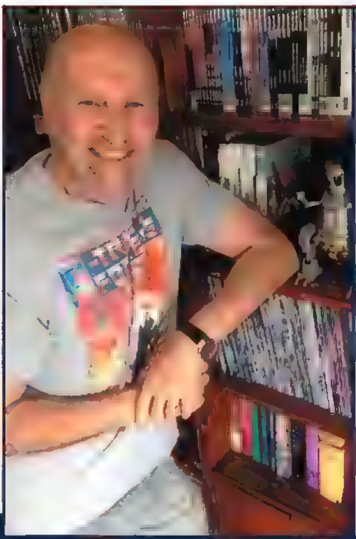
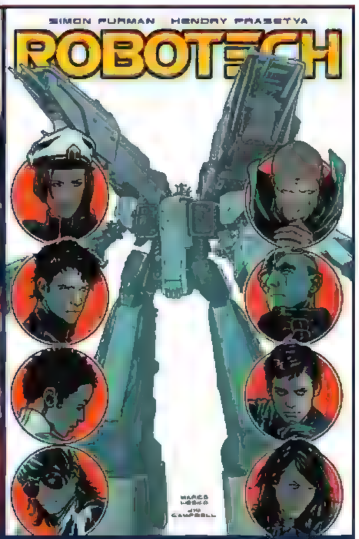
COUNTDOWN TO A ROBOTECH EVENT THAT WILL CHANGE EVERYTHING!

***Robotech* #17** begins a new chapter in Titan's radical reimagining of the classic sci-fi anime franchise, starting the countdown to an all-new comics event! As a cast of beloved characters are torn apart by betrayal, can anyone escape the oncoming Event Horizon?

Simon Furman, legendary *Transformers* writer and creator of *Death's Head*, lays out what readers can look forward to – and why Robotech fans have learned to expect the unexpected...





SIMON FURMAN

Were you a *Robotech* fan before you started work on this comic?

SF I encountered Robotech in the 80s, via patchy, short-lived UK video releases. We'd had little exposure to Japanese anime, and I was blown away. I was too old for *Transformers*, but *Robotech* felt like proper all-ages storytelling. It was one big episodic story, a rarity for animated TV at the time, and while some elements seemed barmy to my 'western' eyes, it dealt with actual relationships alongside mecha action, and wasn't afraid to wipe out core characters.

What is your favorite aspect of *Robotech*, as a series?

SF I was always impressed that the Bridge Crew of the SDF-1 was largely female, and the series later gave great prominence to Zentraedi women like Azonia and Miriya. The narrowed gender gap felt mature. So I tend to lean on characters like Lisa, Claudia, and Miriya, and the decision to bump off Gloval and make Lisa captain really played into what I wanted to do with the series. I'm sorry to say I always found Minmei rather annoying in the animated series (those songs!), but we've been able to paint her with a different brush for the comic.

How do you balance new twists with respect for classic material?

SF I like to think that the comic keeps the spirit and general pace of the show, while never feeling bound by it. Fans of *Robotech* kind of know what to expect... but we keep throwing curveballs in there. The great thing is, of course, we can draw on the entirety of *Robotech* – even beyond the core series, into the other fiction and incarnations. I've always got an eye on the bigger picture here, in as much as our continuity is somewhat unique and less bound by steady, linear progression – we're already bringing in elements of Masters and the New Generation, and that's only going to increase as we progress into The Event. I think the switch that has helped us most is that Gloval dies and Roy survives. It's given us so many more great dynamics and plot avenues to pursue.

How have fans responded to this fresh take on a beloved series?

SF Positively, I think! I listen to the monthly Roboskull Cast Podcast – have a listen, it's a really entertaining half hour or so – and the uber-fans there review and dissect the comic to the nth degree. I think they like what we're doing, and they get that we love the original series. They pick up on absolutely every little easter egg I throw in there! But we blindside them by avoiding certain expected beats and tweaking others, which certainly gives them lots to chat about! I hope their enthusiasm is mirrored in the larger fan community out there. Those I've talked to, in person at conventions or over social media, certainly seem to like it.

How is Hendry Prasetya doing in his second full arc as artist?

SF Marco Turini was a hard act to follow, but Hendry's picked up that baton and run with it, supplying the same crisp, detailed look with even more dynamism, impact and energy. Wherever possible, I try and play to his strengths with dramatic fights and outer space dogfighting. His first issue had shots of Miriya that completely blew me away, but now that wow factor is becoming commonplace – everything I throw at him comes back better than I envisioned.

What upcoming in this arc?

SF The next arc (#17–20) covers a lot of ground. It's the (partial) conclusion to the Dolza/Zentraedi/Earth war, and resolves big stuff we've been building up. Minmei comes to the fore, and there are huge changes for the Zentraedi, especially Breetai and Miriya. Plus apocalyptic action as Dolza's forces siege Earth!

And issue by issue, we're getting closer to... The Event. Because after we've battered you in this arc, we're rolling straight into a truly huge storyline that impacts on everything moving forwards, and touches on every facet of the larger Robotech universe. If you think we've been bold so far, you won't believe what's coming next. For Robotech fans it'll be a lot of dreams come true... And trust me, after this even the diehard won't know what to expect.

Any words for Robotech fans, or newcomers to the series?

SF Thanks to the ever-present Story So Far in each issue, anytime is good to jump onboard – but this arc lays groundwork for the next phase of the series. If you're a reader looking to be blown away by mature, action-packed sci–fi, this is the perfect moment to join the fun. And if you're a fan already, we're not holding back – you can look forward to seeing some super crowd pleasers from across the whole franchise.

People die every year on Mount Everest. This year will be murder.

Zan Jensen is on the run from her past. For now, she works as a climbing guide for rich tourists in Kathmandu. And on the side, she and her partner Haskell moonlight as high-altitude graverobbers, extorting money from the families of the many dead bodies that litter the peaks of the Himalayas. But when a body shows up at the summit of Mount Everest with a jackpot of state secrets embedded in its skin, they're put in the crosshairs of a government agency bent on recovering the body—and eliminating any witnesses.

Collecting the two-time Eisner-nominated comic by **CHRISTOPHER SEBELA** (**CROWDED**, **SHANGHAI RED**, **We(l)come Back**) and artist **IBRAHIM MOUSTAFA** (**Jaeger**, **Mother Panic**, **James Bond**), **HIGH CRIMES** is a high-altitude noir that's been called "the perfect thriller, with big stakes, damaged characters, dark pasts, and just the right ratio of humor-to-corpses" by **CHELSEA CAIN**, the **New York Times** bestselling author of the **Archie Sheridan and Gretchen Lowell** series.

SCIENCE FICTION, THRILLER

The future's only hope... has a zero percent chance.

Nathan Bright had it all: an awesome girlfriend, a kickass dog, and a job as the #1 weatherman on terraformed Mars. But when he's accused of carrying out the worst terrorist attack in human history—an event that wiped out nearly the entire population of Earth—Nathan becomes the target of a manhunt that spans the galaxy. But is Nathan truly responsible for such a horrific crime? *And why can't he remember?*

Confused, terrified, and totally unprepared for life on the run, Nathan's fate lies in the hands of Amanda Cross, the disavowed government agent assigned to his case. Together the unlikely duo will have to rely on each other as they battle their way through the solar system in search of the truth and the key to stopping a second extinction-level attack.

A full-throttle, wide-screen, science fiction epic about the damage we do in the name of justice and what it truly means to be redeemed... you don't want to miss **THE WEATHERMAN**!

$3.99	Miniseries

This is the official adaptation of the original screenplay for *Alien 3*, written by William Gibson, the award-winning science fiction author of the cyberpunk cult classic *Neuromancer*. You'll see familiar characters and places—but not all is the same in this horrifying Cold War thriller!

Suddenly, both the *Rodina* and *Sulaco* find themselves in a state of complete chaos, as the controlled environments go completely awry. When Hicks, Spence, and crew attempt to take matters into their own hands by expelling the Xenomorph embryos, they find that they may be too late.

Before *Two-Fisted Tales* burst onto the scene in 1950, war comics were largely unsophisticated, focusing only on action and adventure—wartime propaganda, essentially. But under the editorial direction of Harvey Kurtzman—who also penned the majority of the stories therein—*Two-Fisted Tales* dared to examine all the horror and madness to be found on the battlefield.

Collecting *Two-Fisted Tales* issues #36–#41, this volume features—in fully remastered digital color—the work of comic-book greats Jack Davis, Colin Dawkins, John Putnam, Jerry DeFuccio, George Evans, Reed Crandall, and John Severin!

FOR BETTER OR FOR WORSE: THE COMPLETE LIBRARY, VOL. 3

writer/artist/cover **Lynn Johnston**

No phone, no light, no motor car, not a single luxury–John and Phil's canoe trip turns them into castaways on an island! Once back in civilization, John solves his mid-life crisis by buying a sportscar, and Elly improbably winds up in front of a judge as a result! Michael enters junior high school, but not before learning a different sort of life lesson at summer camp with a girl named Martha, while Liz loses her first tooth, gets her ears pierced, and finds herself in a "Mean Girls" situation with her friends at school. Then it's wedding bells for Uncle Phil, and Lawrence moves back to town–with a new family of his own! Volume Three, which collects the complete daily and Sunday comics from July 6, 1986 through December 9, 1989, brings to a close the first decade of **Lynn Johnston**'s modern masterwork, but of course, the story is just getting started...

SPRINGTIME IN CHERNOBYL

writer/artist/cover **Emmanuel Lepage**

April 26, 1986, Chernobyl: the reactor core of the nuclear power plant begins to melt. It is the greatest nuclear disaster of the twentieth century. A cloud laden with radionuclides travels thousands of miles in every direction, contaminating a populace unaware of its danger and who cannot protect themselves. At that time, Emmanuel Lepage was 19 years old, watching and listening, incredulous, to the news on television.

22 years later, April 2008: Lepage travels to Chernobyl to report, both in writing and drawings, about the lives of the survivors and their children living on the highly contaminated land. Upon making the decision to travel there, Emmanuel has the feeling that he is defying death, and when he finds himself on a train to Ukraine, where the old power station is located, a question keeps popping up in his mind: What am I doing here?

LIFE ON THE MOON
A Completely Illustrated Novel By
ROBERT GROSSMAN

LIFE ON THE MOON

writer/artist/cover **Robert Grossman**

From an artist who reveled in illustrating "the un-illustratable," a historical graphic novel based on the "Great Moon Hoax," the most successful newspaper hoax ever. In 1835, New York newspaper *The Sun* published a series of six articles declaring the discovery of life–and even civilization–on the Moon, which the paper attributed to the famous contemporary astronomer Sir John Herschel. According to *The Sun*, the lunar inhabitants included unicorns, bison, bipedal tail-less beavers, and intelligent humanoids with bat-like wings.

Life on the Moon is a full-length graphic novel capturing this mythical world. Creator **Robert Grossman** said the book is set in a time when "many of the signal achievements of the 19th Century still lay well in the future, Andrew Jackson was president, the steamboat was the summit of technology, and news traveled slowly." The unfettered novel includes real historical figures such as P.T. Barnum, Jean Jacques Audubon, Lorenzo Da Ponte, Charles Goodyear, and Edgar Allan Poe.

PUNKS NOT DEAD: LONDON CALLING #1

writer **David Barnett**
artist **Martin Simmonds** (A)
Rafael Albuquerque (B)

Teenage geek Fergie Ferguson and his BF Sid, the ghost of a punk rocker who only Fergie can see or hear, are on the lam for a murder they didn't exactly commit. They've made it to London but on their tail are the police, the quirky paranormal investigation agency the Department of Extra-Usual Affairs, and some really freaky magpie monsters, so there's not (much) time for sightseeing.

While Fergie tracks down his long-absent father to get answers about his powerful new "abilities" (Sid calls them "psychic grenades"), DfEUA's old-school mod super spy Dorothy Culpepper and her sensible young partner Asif Baig uncover evidence that links Fergie to the underworld. Fergie's mum Julie and his not-a-girlfriend Natalie also join forces to save Fergie from life in prison... but with a psychopathic serial killer showing an interest, everybody might soon be running out of time.

How does any of this connect to a visually searing three-chord apocalypse? Never mind the bollocks—another season of the critical darling *PUNKS NOT DEAD* is here with endless pints of anarchy and social distortion!

PUNKS NOT DEAD: LONDON CALLING is a five-issue miniseries written by **David Barnett** (*Calling Major Tom*) and illustrated by **Martin Simmonds** (*Friendo*, Marvel: *Jessica Jones*, and *Quicksilver* covers). Featuring a variant cover by fan-favorite **Rafael Albuquerque** (*Batgirl*, *A Study in Emerald*).

A SHINING BEACON

writer/artist/cover **James Albon**

Francesca Saxon, artist and loyal citizen of the nation, is thrilled when she receives a commission to design the central mural of an epic new swimming pool: the jewel in the crown for an insecure regime obsessed by propaganda. Leaving the comfort of her coastal hometown for the lap of luxury of the capital, she is swept up in the paranoia of a government threatened by underground revolutionaries, whose promise of a freer, happier future looks increasingly appealing. Torn between rival factions and her personal loyalties, she realizes that when ideology has a stranglehold on art, the picture is rarely pretty.

No man knows the place of her birth, nor where she learned to wield a sword to shame many a male. They know only that she is called The She-Devil of The Hyrkanian Steppes. That, and RED SONJA.

MARK RUSSELL (The Flintstones) and MIRKO COLAK (Conan) bring a savage tale of metal and blood. A world conqueror possesses a massive army and a fatal prophecy. A bastard sorceress craves revenge. And a fearsome red-haired warrior is made wartime ruler of a homeland set for decimation.

MARK RUSSELL TALKS *RED SONJA #1*

Who is Red Sonja to you, and what is your creative approach to this series as a whole?

Mark Russell, Writer:

To me, Sonja is the fantasy genre's heir to the great warrior queens of history, like Boudicca, Tomyris, and Deborah. And that's what I use to inform my approach to Red Sonja, giving her the same guile, mastery of strategy, and courage that defined these figures and their resistance to the most powerful empires in history. The goal being to tell a story that is richly imaginative, but at the same time, feels like it could have happened because, in some sense, it did.

Mirko Colak, Artist:

Growing up, Conan was my favorite, until I saw the redheaded woman beside him, dressed like a warrior. Since then, I've followed Sonja's tales because she marked a formative period of my childhood. I want to show her as a gentle but deadly woman, capable of ruling in a male world.

Dearbhla Kelly, Colourist:

I've always loved stories of fearless women, women who lead and women who fight – but I especially love the ones who are a bit messy and for me, that's right where Red Sonja falls. So my approach to this comic has been to paint something really rich and strong and textured like the she-devil herself, but with just enough mess to make things interesting, and bring to life all the dirt and dust and blood of the desert.

Hassan Ostmane-Elhaou, Letterer:

Red Sonja is always about independence to me. Part of that is questioning the idea of authority and control, and how to liberate yourselves from it. So not just surviving but fighting. It's very exciting to see how the team is tapping to a lot of those same core values in this iteration. My approach is always to complement the art, in this case, the gorgeous fantasy linework of Colak and painterly approach of Kelly. I want the letters to be a little rough and ready, but still with that classic adventure-comic feel.

Two cult classics clash for the first time in an epic crossover miniseries: ARMY OF DARKNESS VS. BUBBA HO-TEP. Ash embarks on a soul-searching road trip to Texas on a hunch that Elvis Presley may still be alive and kicking (and supposedly vanquished a mummy)! What follows is a series of universe-spanning events that involve an Elvis jumpsuit with special time-travel abilities, a trip to 70's Vegas, plus the reveal of an evil new Book of the Dead, the Necronomicon Ho-Tep. Has Ash met his ultimate match when trading barbs with a 4,000-year-old, foul-mouthed mummy who sucks souls? Can his idol Elvis mentor him through a mid-life crisis before it becomes his final crisis? Join the adventure in a road-tripping, time-hopping groovy tale!

SCOTT DUVALL TALKS *ARMY OF DARKNESS/BUBBA HO-TEP #1*

The King vs. The King! Where'd the idea come from?

This idea has been gestating in the back of my mind for a few years. I have been a fan of Army of Darkness *since I was first introduced to it as a kid. Being a huge fan of the character of Ash, and by extension, actor Bruce Campbell, I was instantly drawn to the movie* Bubba Ho-Tep, *based on an original story by the great Joe R. Lansdale, and starring Campbell as Elvis. Immediately upon release, I added it to my DVD collection, and I would group it with* Army of Darkness, *because it felt like a companion piece to it. Often viewing them in close succession, I knew the Ash and Elvis team-up would go together like peanut butter and banana. These two worlds already fit so well together in tone, it made it totally plausible that they could co-exist on the same plane. Wanting to see what it would be like if Ash and Elvis interact is a big part of what sparked this, and so I'm thrilled we'll get to finally see that in these pages.*

Ash is headed to Texas for a mid-life crisis, anyone going with him?

Ash is traveling solo on this journey, trying to find Elvis... but also himself. Elvis was someone who he looked up to as a kid, who seemed like he had it all. The King lived hard and paid the price of dying young, and now Ash is starting to approach that age and examine his own mortality. So when Ash reads in a tabloid about how the real Elvis is supposedly living and retired in East Texas, he goes off in search of him to see if it's really him. If it is, maybe he has the answers he's looking for.

Necronomicon Ho-Tep must contain some scary stuff, what's in store?

Without giving too much away, it doesn't look like the Necronomicon we're used to seeing so that immediately sets it apart. But as you can imagine, in the hands of the wrong person, it can unleash terrible evil. It's up to our heroes to protect it and make sure that doesn't happen!

How's your process been with artist Vincenzo Federici?

I loved his take on both Ash and Elvis from the moment I saw them and knew right away he'd be perfect! We're still pretty early into the process, but I'm excited for fans to see more of his art as it comes in, and I can't wait in particular, to see what he does with one of my favorite action scenes involving three mummies, one of which may be Ho-Tep himself.

Anything else you'd like to add?

Army of Darkness *and* Bubba Ho-Tep *are two things I've always wanted to play with so getting the opportunity to tell this story is still pretty mind-blowing to me. We're going to try and deliver a crossover worthy of these characters and I hope fans of both will check it out and come along for this ride because it's going to be a fun one!*

It's a dangerous time for the last remaining humans. Captured by the Cylons on New Caprica, the colonists live in fear of what every new day will bring. As the Cylons press their oppressive--and life-threatening agenda—the survivors grow more desperate to reclaim their freedom.

But there's hope. Out in the wilds of New Caprica, beyond the Cylon boundaries, is a band of human freedom fighters.

They answer to no one. They fear no Cylons. They are Twilight Command--and they have a plan.

From writer Michael Moreci (Wasted Space, Archie Meets Batman '66) and artist Breno Tamura (Batgirl and the Birds of Prey) comes the untold tale of Twilight Command!

The hyper-powered world of Crackdown (Xbox) has made its way to the comic page! In the not-so-distant future, civilized society is more plugged-in and interconnected than ever – but criminal organizations are growing more connected as well, forming unholy alliances, and plotting for an unprecedented campaign against the world. When a series of devastating blackout attacks plunge major metropolitan areas into darkness and chaos, the global population is terrified, traditional law enforcement is overwhelmed – and it's up to The Agency, an elite international crime-fighting task force, to restore peace and deliver justice, by any means necessary.

The Femmes from the Future find themselves on a world entirely covered by oceans. That's no big deal, what with Earth 70% covered, but for the desert-born Dejah of Mars, some water wings are needed, stat! Really, though, the endless depths are the easy part… it's the creatures lurking in the unknown that are the real threat, especially the intelligent ones!

THE BOYS OMNIBUS VOL. 1 Trade Paperback

FC | 376 pages | $29.99 | Mature | Advanced for March 2019

writer: Garth Ennis
artist: Darick Robertson
cover: Darick Robertson

All-new printing collecting the first 14 issues of the critically acclaimed series, now heading to live-action on Amazon Prime!

This is going to hurt! In a world where costumed heroes soar through the sky and masked vigilantes prowl the night, someone's got to make sure the "supes" don't get out of line. And someone will!

Billy Butcher, Wee Hughie, Mother's Milk, The Frenchman, and The Female are The Boys: A CIA-backed team of very dangerous people, each one dedicated to the struggle against the most dangerous force on Earth - superpower! Some superheroes have to be watched. Some have to be controlled. And some of them - sometimes - need to be taken out of the picture. That's when you call in The Boys! After the opening story arc introducing Hughie to the team (issues 1-6), Dark avenger Tek-Knight and his ex-partner Swingwing are in trouble (issues 7-14). Big trouble. One has lost control of his terrifyingly overactive sex-drive, and the other might just be a murderer. It's up to Hughie and Butcher to work out which is which, in Get Some. Then, in Glorious Five-Year Plan, The Boys travel to Russia - where their corporate opponents are working with the mob, in a super-conspiracy that threatens to spiral lethally out of control. Good thing our heroes have Love Sausage on their side.

Featuring some ever-so-slight tweaks the creators have meticulously restored, The Boys Omniobus Volume 1 also features bonus art materials, the script to issue #1 by Garth Ennis, a complete cover gallery, and more!

Olive and her adopted siblings, Charlotte and Darwin, are spending the summer with their estranged grandma at her creepy hotel, and it's all work and no play. They're stuck inside doing boring chores until they stumble upon an incredible secret... behind each door of the hotel lies a portal to a strange and mysterious place.

The simple turn of a knob transports them to a distant magical world filled with space pirates. Behind the next door are bearded wizards. Down the hall is a doorway to a cotton-candied kingdom. But once the doors are open, worlds start colliding, and only one family can save them before the hotel tears itself apart.

Written by **Terry Blas** *(The Amazing World of Gumball)* and illustrated by the talented **Claudia Aguirre** *(Kim & Kim)*, this world-hopping fantasy tale breaks down the door to imagination and dares you to embrace the idea that family is everything.

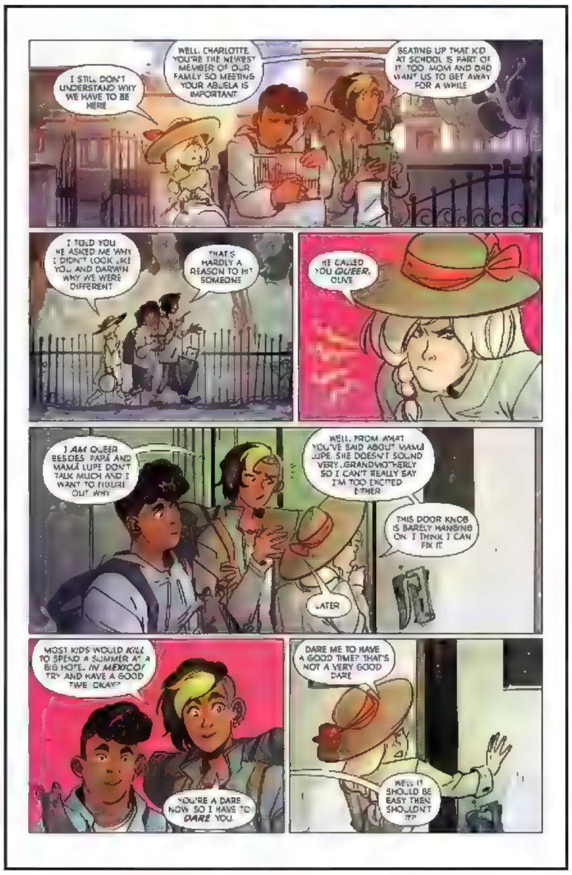
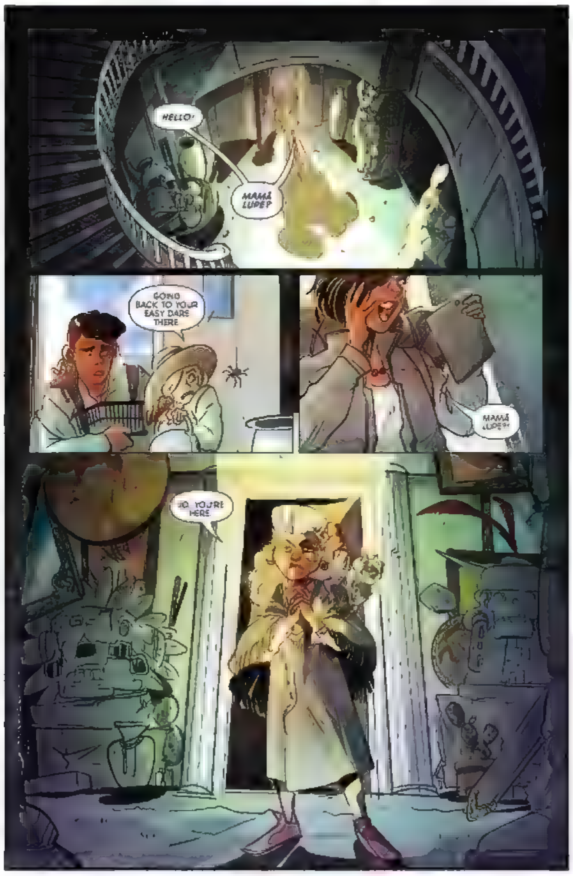
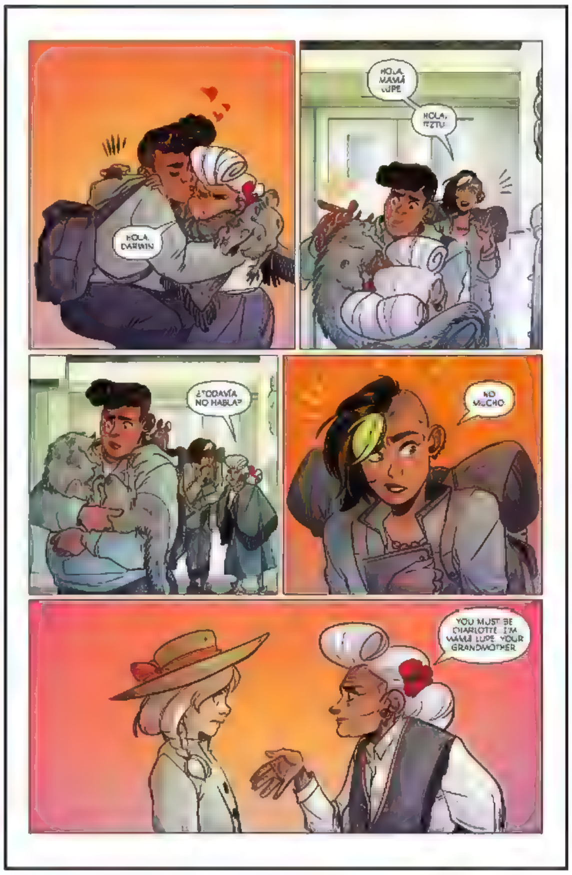
THIS PLACE IS *DISGUSTING*.
IT MAKES THE ORPHANAGE LOOK LIKE AN AMUSEMENT PARK
IT DIDN'T LOOK THIS *BAD* THE LAST TIME I WAS HERE
OH WOW THE WIFI'S PRETTY GOOD
TAXI



I STILL DON'T UNDERSTAND WHY WE HAVE TO BE HERE
WELL, CHARLOTTE, YOU'RE THE NEWEST MEMBER OF OUR FAMILY SO MEETING YOUR ABUELA IS IMPORTANT
BEATING UP THAT KID AT SCHOOL IS PART OF IT TOO. MOM AND DAD WANT US TO GET AWAY FOR A WHILE
I TOLD YOU. HE ASKED ME WHY I DIDN'T LOOK LIKE YOU AND DARWIN. WHY WE WERE DIFFERENT
THAT'S HARDLY A REASON TO HIT SOMEONE
HE CALLED YOU *QUEER*, OLIVE
I *AM* QUEER. BESIDES, PAPÁ AND MAMÁ LUPE DON'T TALK MUCH AND I WANT TO FIGURE OUT WHY
WELL, FROM WHAT YOU'VE SAID ABOUT MAMÁ LUPE, SHE DOESN'T SOUND VERY...GRANDMOTHERLY SO I CAN'T REALLY SAY I'M TOO EXCITED EITHER
THIS DOOR KNOB IS BARELY HANGING ON. I THINK I CAN FIX IT.
LATER
MOST KIDS WOULD *KILL* TO SPEND A SUMMER AT A BIG HOTEL. *IN MEXICO!* TRY AND HAVE A GOOD TIME, OKAY?
YOU'RE A DARE NOW, SO I HAVE TO *DARE* YOU.
DARE ME TO HAVE A GOOD TIME? THAT'S NOT A VERY GOOD DARE
WELL IT SHOULD BE EASY THEN, SHOULDN'T IT?



HELLO?
MAMÁ LUPE?
GOING BACK TO YOUR EASY DARE THERE
MAMÁ LUPE?!
SO, YOU'RE HERE.



HOLA, DARWIN
HOLA, MAMÁ LUPE
HOLA, TZITU
¿TODAVÍA NO HABLA?
NO MUCHO
YOU MUST BE CHARLOTTE. I'M MAMÁ LUPE, YOUR GRANDMOTHER

TITANIC TOMES:

KING-SIZED KOLLECTIONS!

by Marty Grosser

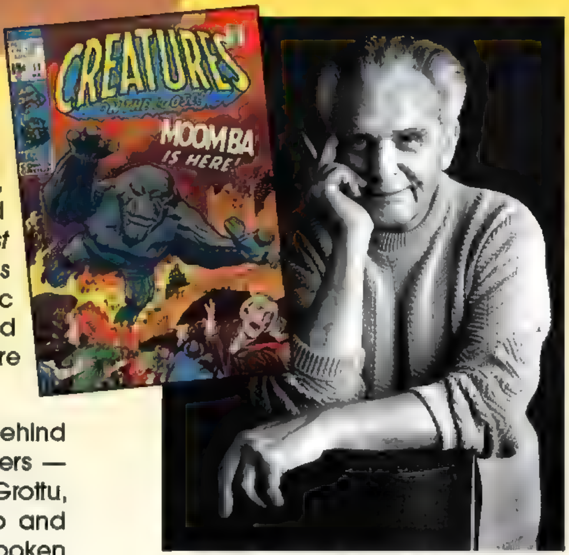

PHOTO Credit-Susan Skaar

One of the earliest of my comic book memories was from mid-1971, when I received Marvel's *Creatures on the Loose!* #11, featuring the alien statue monster, Moomba. Being a nine-year-old kid raised on Godzilla movies, *Lost in Space*, and Universal Monsters model kits, I thought this comic book was the greatest thing I had ever seen and read. And there were more like it!

I would soon learn that the man behind the look of Marvel's giant monsters — beings with ludicrous names like Grottu, Googam, Spragg, Orrgo, Manoo and Fin Fang Foom — was a soft-spoken man from Brooklyn New York named Jack Kirby. Sorry! Jack "KING" Kirby. And he truly ***earned*** that royal nickname! Over his decades-spanning career, Jack Kirby drew *over 20,000 pages of art and over 1,300 covers!*

This month, as we celebrate our TITANIC TOMES theme, I thought it would be appropriate to showcase the larger-than-life works of the King in the next best thing to their original format: GREAT BIG BOOKS!

WHERE MONSTERS PROWL TO DWELL ON THE LOOSE

A great place to start with Jack Kirby is with his monster story collaborations with Stan "The Man" Lee. For the ultimate Marvel Monster collections, you can't go wrong with **Monsters: The Marvel Monsterbus Vol. 1 HC** (NOV160950) and **Monsters: The Marvel Monsterbus Vol. 2 HC** (FEB170967), each loaded with dozens of stories of giant monsters bent on conquest and destruction, and the mild-mannered nerds and scientists who defeated them with nothing but their intellects!

And to see the classic Lee/Kirby monster tales in all their pre-publication B&W glory, be sure to check out **Jack Kirby's Heroes and Monsters Artist's Edition HC** (FEB180485) published by IDW Publishing, with the cooperation of Marvel Comics. Kirby and many of his contemporaries worked on BIG art boards back in the fabulous '50s and swingin' '60s, and this oversized Artist's Edition hardcover presents the original artwork as it was created. And speaking of Artist's Editions…

THIS ARTIST, THIS EDITION

Because Jack Kirby was such a trailblazer in the comics field, as well as a role model for those who came after him, many creators have emulated the King's style and used his great works as reference and inspiration for their own works.

A few years ago, as if in response to this very reason, IDW Publishing introduced the concept and format for their "Artist's Edition" series of hardcovers. These oversized (really BIG!) books reproduce Kirby's artwork from the actual original pages, and showcase his work from the classic Marvel Era in the **Jack Kirby Fantastic Four Artist's Edition HC** (SEP160482) and **Jack Kirby Mighty Thor Artist's Edition HC** (JAN160388); unseen work in **The Prisoner by Kirby & Kane Original Art Edition HC** (FEB181804); and his "Fourth World" tour de force in the **Jack Kirby New Gods Artist's Edition HC** (DEC130371), **Jack Kirby Mister Miracle Artist's Edition HC** (SEP140451), and the **Jack Kirby Forever People Artist's Edition HC** (DEC160605).

There's also my personal favorite Kirby work from his '70s-era tenure at DC Comics, the post-apocalyptic adventure epic *KAMANDI*, collected in the **Jack Kirby Kamandi Vol. 1 Artist's Edition HC** (FEB150411) and **Vol. 2 Artist's Edition HC** (MAY160533). This is classic Kirby at his unleashed best!

KIRBY BY THE POUND

Finally, for those of you who want a LOT of Kirby in one volume, for a fraction of the price you might pay for the originals (a route that leads to Pricey Town!), both Marvel and DC have collected some of the King's best works in massive omnibus editions!

From Marvel Comics, there's the **Fantastic Four Vol. 1 Omnibus HC** (MAR180972), collecting *FF* #1-30 & *Annual* #1; the **Kirby is Fantastic King-Size HC** (NOV181009) reprinting *FF* #4, #12, #25-26, #52-53, #66-67, #84-87

& *Annual* #6; the **King-Size Kirby Slipcase HC** (FEB150841), a massive, 13" x 20" slipcase volume reprinting *816 pages* of Kirby comics from the Golden Age to the '70s; and **The Marvel Legacy of Jack Kirby Slipcase HC** (APR150904), a tribute to Jack Kirby featuring essays and articles about Kirby's lasting impact on the House of Ideas.

Over at DC Comics, you can bolster your Kirby library with these great volumes: the **Kamandi by Jack Kirby Omnibus HC** (SEP170419) collecting issues #1-40; the **New Gods by Jack Kirby TP** (MAY180587), collecting issues #1-11, plus the 48-page story "Even Gods Must Die" from 1984 and the original 1985 graphic novel, *The Hunger Dogs*; and the **DC Universe Bronze Age by Jack Kirby Omnibus HC** (NOV180560) collecting all of Kirby's non-Fourth World series and singles issues, including complete runs of *The Demon* #1-16, *The Sandman* #1-6, *OMAC* #1-8, and even the *In the Days of the Mob* and *Spirit World* graphic novels! THAT'S a lot of Kirby!

Without the contributions of Jack "King" Kirby, many of the characters, even the very genres in which they appear, would be startlingly different today. If I have moved even one reader to seek out the works of Jack Kirby, then my work here was worth it. Heck, it was worth it just to put it all down here.

Maggie isn't your typical comic book, cartoon, and action movie fangirl. Through keen observation and unbending determination, she has taught herself all the death-defying stunts and fighting styles of her favorite action stars and superheroes! Unfortunately, Maggie has kept her eccentric hobby to herself, ever since it earned her the label of "nerd" among her classmates. After all, superheroes and evil villains are all kid stuff... right? Wrong! The day before she begins high school, Maggie has a run-in with an evil mastermind and his sinister mercenary group. After years of training, it's up to Maggie to be the self-taught superhero the city needs! But with bad guys crawling out of the woodwork and the daunting unknown of a high school ahead of her, can she really take on the world alone? (STL108094)

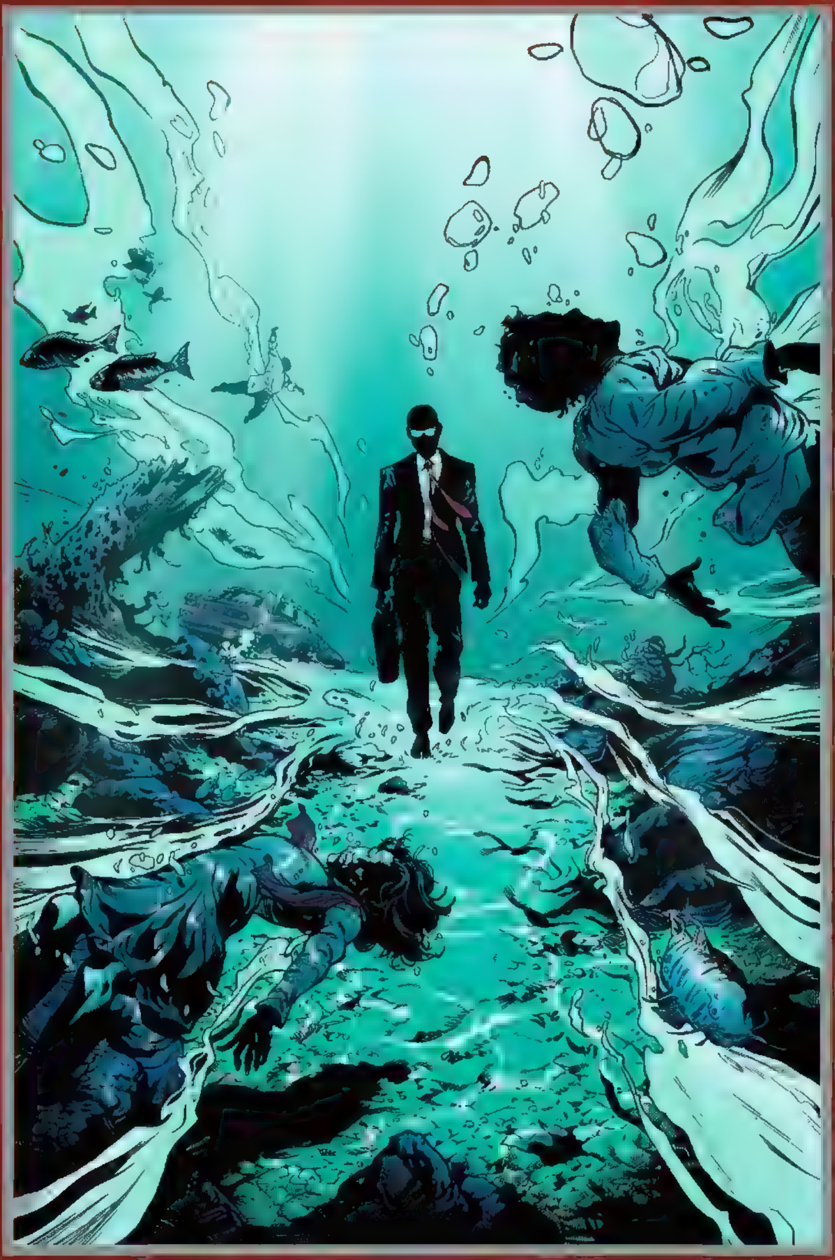
STRONGhold #1



main cover

Our planet is actually a prison designed to both trap and shelter an amnesiac alien entity of incalculable power. Now known as Michael Grey, this cosmic angel of destruction currently believes himself to be an ordinary midwestern insurance underwriter, who belongs to a global secret society dedicated to making sure he never discovers the truth about his past.

To make matters worse, our hero has fallen in love with Michael Grey. And for their love to be born, Earth must die.

Phil Hester (*The Coffin, Deathstroke, The Darkness,* SHIPWRECK) and Ryan Kelly (*The Wicked & The Divine, Lucifer, Saucer Country*) weave a tale of cosmic horror, high adventure and tragic romance unlike anything else in comics.

AN EXPLOSIVE FINALE IN THE ASHES OF A FALLEN EMPIRE!

The wreck of the Rus Empire is a violent, rusted sprawl cut across an aging continent. The Oprichnik Secret Police hold a fragile order in place by removing all the socially dissident from society...these are the Chorts, the scapegoated devils of the new word...and they deserve freedom. DEAD KINGS brings it to them.

On the border of a dried up Black Sea, Sasha Vasnetsov and Maria Kamenaya have brought war to Barracks 33 to free Sasha's brother Gena. As the barbed wire fences fall, a family reunites in the furnace of rebellion – they may free thousands, but is it too late to save their brotherhood?

Steve Orlando (*Wonder Woman*, *Shadow/Batman*, *Midnighter*, CRUDE) and Matthew Dow Smith (*October Girl*, *Suicide Squad*, *X-Files*) keep punching with captured hearts and torn fists in this post-POST apocalyptic tale.

IS BLOOD THICKER THAN SANDWICHES?

The Khourys are a classic immigrant success story: a Lebanese family who carved their slice of the American Dream by becoming the largest distributors of vending machine sandwiches in the upper northern Midwest.

Unfortunately, the Khourys' gains have been ill-gotten, and a branch of the Chicago Irish Mob has come back to collect a past debt. Fealty is demanded, shots are fired and long-hidden family secrets are fully revealed. Now Dorothy Khoury, the daughter of the family patriarch, is forced to unite her splintered bloodline and fight back.

Written by Eliot Rahal (*Cult Classic, The Paybacks, Quantum & Woody*) with art by Jorge Fornes (*Amazing X-Men, Wolverine, Magnus*), HOT LUNCH SPECIAL is a midwestern noir series about family, food and the fight for survival. Volume 1 collects the entire Khoury saga, issues #1-5.

Meet Natalie Worthy. She was born invincible. She's a stranger among us all, feeling left out and resented everywhere she goes, confounded by the differences between her and us. Could anything be more ironic than to be the one person on earth so inherently capable of protecting others through her own invincibility, and yet completely not compelled to do so because of the very same thing? Natalie is practically a nihilist as a symptom of her invincibility. Can Natalie be reached? Does she have a destiny beyond drifting into meaninglessness? (STL107042)

AZTEC ACE: THE COMPLETE COLLECTION

Recommended by Jim Fallone

Doug Moench
THE COMPLETE COLLECTION
AZTEC ACE

Doug Moench is responsible for many of my favorite comics from the 70s and 80s. His work is as ambitious as it is quirky. Doug can take a familiar franchise and turn it up to 11 like no one else: *Frankenstein/Deathlok, James Bond/Master of Kung Fu, Batman/Moon Knight.* His ideas flow a mile a minute, and with a strong editor to keep him on the rails, he is fantastic. His work at Marvel and DC is seminal and still informs characters like Batman today. His work at Eclipse however gave him a new level of freedom – which brings us to Aztec Ace.

Aztec Ace asks the question: "What if *Doctor Who* was created by an American?" The emphasis is Mesoamerican instead of British. The hero openly sleeps with his companion. The TARDIS is Sigmund Freud's disembodied head. Moench then finally coats everything with a veneer of Raymond Chandler hardboiled detectives and pop song lyrics. The plot continually resets through time travel and paradox just as the reader thinks he is beginning to get the storyline, much like the staccato of a fast-talking car salesman.

I loved this series with a passion. You really had to take time to read each issue. You had to set it down, digest it and then come back to it for a second helping. Moench has filled it with icons, symbols, history and philosophy. At its best his puns and stream of conscious plots are almost Joycean. At its worst there are still more concepts and references per panel than most of today's publishers entire release schedule.

I should also point out Dan Day's draftsmanship and Nestor Redondo's inks are superb. This was from a period when draftsmanship was still a major part of comic illustration. These books look good. An Omnibus collection is really the best way to read *Aztec Ace*. You need to have all 544 pages of it in your hands to flip back and forth and remind yourself what has happened. Even now I am still not completely sure what the plot is really about – or why Benjamin Franklin was naked – but I do know this. It was never boring.

Story: **J.T. Krul & Vince Hernandez**
Pencils: **Romina Moranelli**
Colors: **Enrica Eren Angiolini**
Letters: **Dezi Sienty**

Introducing Remi, a young and energetic explorer and relic hunter, whose boundless curiosity leads to a startling discovery beyond anything she could have imagined!

Remi has spent her entire life as a fearless relic hunter, but nothing can prepare her for the shocking discovery she makes this issue—one that will forever change the concept of her life altogether! Yet, it may pale in comparison to an even greater shock she receives upon returning to the kingdom, as the Akolouth put their vile actions on display for all to see—and once again the victim is someone dear to Remi's heart!

An all-new Aspen Comics action-adventure epic from the mind of creators Vince Hernandez (Michael Turner's Fathom: Kiani, Charismagic) and J.T. Krul (Michael Turner's Soulfire, Jirni) with breathtaking illustrations from newcomer Romina Moranelli!

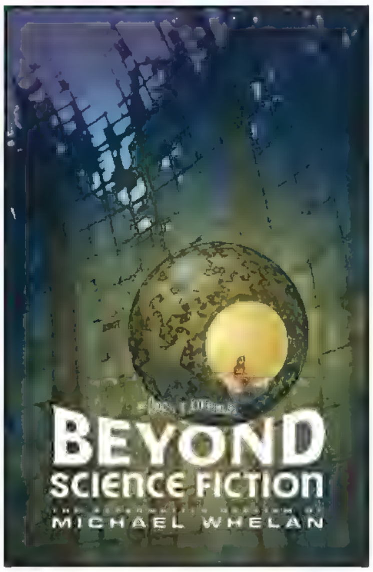
BEYOND SCIENCE FICTION ALTERNATIVE REALISM MICHAEL WHELAN



(W/A/CA) Michael Whelan

Escape to thought-provoking realms and explore awe-inspiring vistas with Michael Whelan's *Beyond Science Fiction* art book. Whelan has successfully straddled the historically at-odds worlds of fine art and commercial illustration. His work represents a logic-defying blend of pop-culture-defining imagery and impassioned personal expression that resonates with sophisticated art collectors as well as with top professionals in genre media. In honor of Michael's retrospective exhibition at the Riverside Museum of Art, Baby Tattoo is publishing a collector's edition book in a popular 7"x10" graphic novel size that will visually explore the interconnected nature of Michael's work and will chronicle the significance of its place in history. Sneak peek at NOBODY IS IN CONTROL by Patrick Kindlon & Paul Tucker (lightly censored for language)

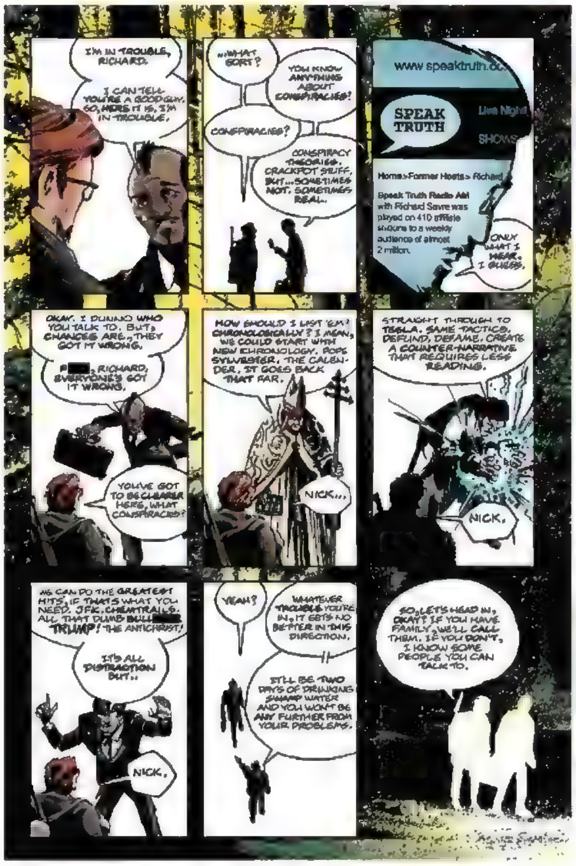
I'M GETTING IN YOUR BUSINESS. I'M SORRY. I'M NICK. I SHOULDA INTRODUCED MYSELF.
GOOD TO KNOW YOU. I'M RICHARD.
WHOOPS. SO MARRIED TO THIS THING, I FORGET I'M HOLDING IT.
NOT STANDARD CAMPING GEAR.
NOT A STANDARD CAMPER.
PLEASURE TO MEET YOU, RICHARD. ANY LONGER OUT HERE BY MYSELF AND I'D START TALKING TO THE RACCOONS.
YEAH, HELP ME UNDERSTAND HOW YOU GOT TO BE HERE...
DO RACCOONS MAKE A SOUND?
I...I THINK THE BABIES DO?
JUST THE BABIES?
NO. I SUPPOSE THAT DOESN'T MAKE SENSE. THEY ALL MUST MAKE NOISES
I'LL HAVE TO LOOK IT UP.
Raccoon
(Procyon lotor)
Raccoons have a vocabulary of over 50 distinct sounds. Baby raccoons, known as kits, do vocalize differently than adults. Perhaps they don't know raccoon words yet.
RACCOON WOULD'VE BEEN THE BEST CASE SCENARIO. I CHASED YOU OUT HERE WORRIED YOU MIGHT END UP IN A CONVERSATION WITH A COPPERHEAD.
THAT'S A SNAKE?
YEAH. THAT'S A SNAKE. THEY'RE DIFFERENT BECAUSE THEY DON'T RUN WHEN YOU APPROACH. THEY DON--
WELL, YEAH WITHOUT LEGS I MEAN, RUNNING SOUNDS LIKE AN ABSOLUTE CHORE.
FLEE. THEY DON'T FLEE, Y'KNOW WHAT I MEAN. THE OTHER SNAKES, THEY WARN YOU OR THEY RUN. ER, FLEE. THE COPPERHEAD STAY STOCK STILL. PEOPLE STEP ON'M ALL THE TIME.
POISONOUS?
WELL, VENOMOUS, YEAH. THERE'S A LOT IN THESE WOODS THAT CAN RUIN YOUR DAY. THAT'S WHY WE SHOULD GET BA—
YOU READ THAT THING ABOUT SNAKE VENOM?
WHICH THING?
THIS WAS YEARS BACK. THEY THOUGHT IT COULD BLOCK CANCER CELLS.
IT DOES. KILLS EXISTING ONES TOO.
THAT'S WHY I NEVER HEARD ABOUT IT AGAIN. MORE MONEY IN TREATMENTS THAN CURES.
COULD BE. YEAH.
LISTEN. ABOUT GETTING BACK...
11



I'M IN TROUBLE, RICHARD.
I CAN TELL YOU'RE A GOOD GUY. SO, HERE IT IS. I'M IN TROUBLE.
...WHAT SORT?
YOU KNOW ANYTHING ABOUT CONSPIRACIES?
CONSPIRACIES?
CONSPIRACY THEORIES. CRACKPOT STUFF. BUT...SOMETIMES NOT. SOMETIMES REAL.

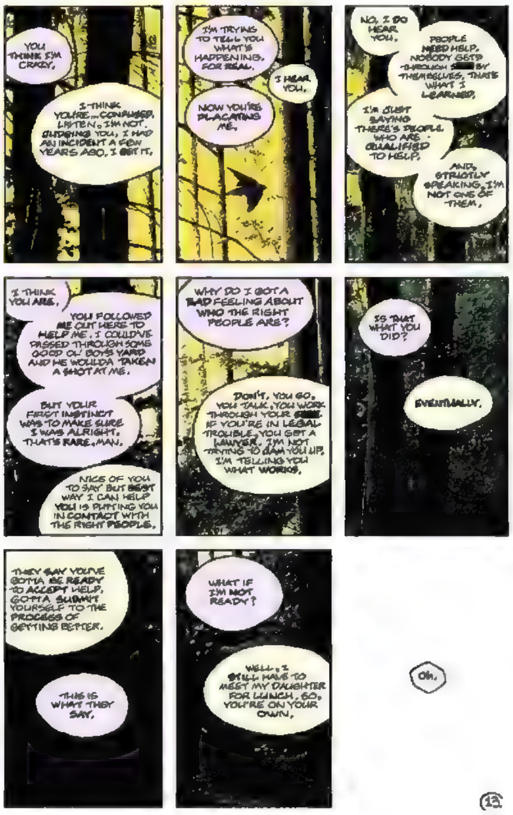
OKAY. I DUNNO WHO YOU TALK TO. BUT, CHANCES ARE, THEY GOT IT WRONG.
F[redacted], RICHARD, EVERYONE'S GOT IT WRONG.
YOU'VE GOT TO BE CLEARER HERE. WHAT CONSPIRACIES?
HOW SHOULD I LIST 'EM? CHRONOLOGICALLY? I MEAN, WE COULD START WITH NEW CHRONOLOGY. POPE SYLVESTER. THE CALENDER. IT GOES BACK THAT FAR.
NICK...
STRAIGHT THROUGH TO TESLA. SAME TACTICS. DEFUND, DEFAME, CREATE A COUNTER-NARRATIVE THAT REQUIRES LESS READING.
NICK.
WE CAN DO THE GREATEST HITS, IF THAT'S WHAT YOU NEED. JFK, CHEMTRAILS. ALL THAT DUMB BULL[redacted]. TRUMP! THE ANTICHRIST!
IT'S ALL DISTRACTION BUT..
NICK.
YEAH?
WHATEVER TROUBLE YOU'RE IN, IT GETS NO BETTER IN THIS DIRECTION.
IT'LL BE TWO DAYS OF DRINKING SWAMP WATER AND YOU WON'T BE ANY FURTHER FROM YOUR PROBLEMS.
SO, LET'S HEAD IN, OKAY? IF YOU HAVE FAMILY, WE'LL CALL THEM. IF YOU DON'T, I KNOW SOME PEOPLE YOU CAN TALK TO.



YOU THINK I'M CRAZY.
I THINK YOU'RE...CONFUSED. LISTEN. I'M NOT JUDGING YOU. I HAD AN INCIDENT A FEW YEARS AGO. I GET IT.
I'M TRYING TO TELL YOU WHAT'S HAPPENING. FOR REAL.
I HEAR YOU.
NOW YOU'RE PLACATING ME.
NO, I DO HEAR YOU.
PEOPLE NEED HELP. NOBODY GETS THROUGH [redacted] BY THEMSELVES. THAT'S WHAT I LEARNED.
I'M JUST SAYING THERE'S PEOPLE WHO ARE QUALIFIED TO HELP.
AND, STRICTLY SPEAKING, I'M NOT ONE OF THEM.
I THINK YOU ARE.
YOU FOLLOWED ME OUT HERE TO HELP ME. I COULD'VE PASSED THROUGH SOME GOOD OL' BOYS YARD AND HE WOULDA TAKEN A SHOT AT ME.
BUT YOUR FIRST INSTINCT WAS TO MAKE SURE I WAS ALRIGHT. THAT'S RARE, MAN.
NICE OF YOU TO SAY BUT BEST WAY I CAN HELP YOU IS PUTTING YOU IN CONTACT WITH THE RIGHT PEOPLE.
WHY DO I GOT A BAD FEELING ABOUT WHO THE RIGHT PEOPLE ARE?
DON'T. YOU GO. YOU TALK. YOU WORK THROUGH YOUR [redacted]. IF YOU'RE IN LEGAL TROUBLE, YOU GET A LAWYER. I'M NOT TRYING TO JAM YOU UP. I'M TELLING YOU WHAT WORKS.
IS THAT WHAT YOU DID?
EVENTUALLY.
THEY SAY YOU'VE GOTTA BE READY TO ACCEPT HELP. GOTTA SUBMIT YOURSELF TO THE PROCESS OF GETTING BETTER.
THIS IS WHAT THEY SAY.
WHAT IF I'M NOT READY?
WELL, I STILL HAVE TO MEET MY DAUGHTER FOR LUNCH. SO, YOU'RE ON YOUR OWN.
Oh.

THE BEST OF ALEX TOTH AND JOHN BUSCEMA'S ROY ROGERS COMICS HC

Recommended by Steve Leaf

My heroes have always been cowboys, not superheroes, and sometimes those cowboys even sang. On Saturday morning and after school there was the Cisco Kid and Pancho, the Lone Ranger and Tonto, and the king of the cowboys, Roy Rogers. If it was on TV, then you know Dell Comics did a comic book featuring those shows and characters. While the Lone Ranger was my Batman of the west, Roy Rogers with Dale, Trigger, and Bullet was the cowboy Superman, a true boy scout.

Hermes Press' *The Best of Alex Toth and John Buscema's Roy Rogers Comics* exclusively features the work of comic book legends Alex Toth and John Buscema. Each story was handpicked by Roy's son, Dusty, and include his favorite stories. Featuring over 256 pages of comics this book brings together not only the best western tales of America's favorite cowboy as illustrated by two of the Silver Age's most important artists Alex Toth and John Buscema. This edition also includes original artwork, documentary material, an introduction by Roy "Dusty" Rogers, Jr., and an extensive essay.

This book provides a welcome companion to Hermes Press' definitive reprint of the *Roy Rogers* newspaper strip, *Roy Rogers King of the Cowboys: The Collected Dailies and Sundays*.

Cue the music and a happy trails to you, hopefully to your comic shop for *The Best of Alex Toth and John Buscema's Roy Rogers Comics*.

LUCKY LUKE: THE COMPLETE COLLECTION VOLUME 1 HC

(W) Rene Goscinny (A/CA) Morris
After 70 years of life and 70 translated volumes, it was high time English-speaking readers were offered a hardback collected edition of *Lucky Luke*. For this first volume we chose to start with title that herald the golden age of the series. *Doc Doxey's Elixir* (including *Manhunt*) and *Phil Wire* (including *Lucky Luke and Pill*) were first published in 1955 and 1956, and already Luke is much closer to the cowboy that we now have in mind. The third volume, *Rails on the Prairie*, was the first collaboration between Morris and Goscinny, ushering in 30 years of a legendary collaboration. These stories are prefaced by a staggering 46 pages of extra material: biographies, essays, interviews, illustrations. (STL061437) (C: 0-1-1)

CINEFEX #163

Cinefex takes a look behind-the-scenes of four movies coming to theaters this winter. After decades in development, producers James Cameron and Jon Landau present their adaptation of Yukito Kishiro's manga classic *Alita: Battle Angel*. Brad Pitt, Donald Sutherland, and Tommy Lee Jones star in *Ad Astra*, a sci-fi space thriller about an astronaut traveling to the boundaries of our solar system in search of his father. The *Transformers* saga reaches back to the year 1987, when an encounter in a junkyard leads to a relationship between *Bumblebee* and a troubled teenager. And Emily Blunt shines in the role of no-nonsense but magical English nanny Mary Poppins, who returns to Depression-era London in *Mary Poppins Returns*, this time to aid the next generation of Banks children. EGG CREAM #1

Recommended by Luke Martin

I should preface this review by saying that *Egg Cream* #1 by Liz Suburbia is a wild thing to categorize for someone going in blind. It's primarily a sequel to the graphic novel *Sacred Heart*, originally published by Fantagraphics, which takes up much of the page count in this first issue. And if I can do anything with this review, I hope that it's to convince more people to pick up that book on top of this issue. Honestly, I'm running out of friends who I haven't forced to read it.

The sequel section of *Egg Cream* #1 focuses on the lives of a handful of the characters from the original comic, now being interviewed as adults for a documentary surrounding the events of their teenaged years. In many ways, it immediately matches the storytelling style and tone of the first comic, but there's a focus that better fits the adulthood of all the characters now. There was a building dread in *Sacred Heart* that you repeatedly fight off when it becomes clear that the characters are largely incapable of emotionally confronting their horrible situation that was only going to eventually boil over. But *Egg Cream* lets the now adult characters confront those things after the fact, in a way that makes the original events seem horrifyingly plausible. I should say that it works very well as a standalone story so far, but it lands a few strong emotional blows that work best alongside the first part.

Egg Cream #1 also includes a section of illustrated dreams, which feel disjointed and surreal but also encompass wholly relatable feelings.

And that's always been my experience reading Liz Suburbia's comics, from the *Cyanide Milkshake* zines I've found to my travel worn copy of *Sacred Heart*, and now the first issue of *Egg Cream*. When they're not just short, anarchic fun, they always build up a mood that my brain is lock step with by the end. I don't know if it's a book that will appeal to everyone, but if you're an outcast teen, punk adult or interested in a story about a DIY post-cult community, give it a read!

A Standalone Sequel to Sacred Heart and a Series of [illegible] Dreams!

LEAVING RICHARD'S VALLEY HC

(W/A/CA) Michael Deforge

Richard is a benevolent but tough leader who oversees everything that happens in the valley. When Lyle the Raccoon becomes sick, his ragtag group of friends take matters into their own hands, breaking Richard's strict rules. Caroline Frog rats them out to Richard and they are immediately exiled from the only world they've ever known. DeForge's tale expands from a bizarre hero's quest into something more: they make it out of the valley and into the big city, and we see them coming to terms with different kinds of community: noise-rockers, gentrification protesters, squatters, and more. CREDO: THE ROSE WILDER LANE STORY HC

(W/A/CA) Peter Bagge

Peter Bagge returns with a biography of another fascinating twentieth-century trailblazer: the writer, feminist, war correspondent, and libertarian Rose Wilder Lane. *Credo* is a fast-paced, charming, informative look at a founder of the American libertarian movement and a champion of her mother, Laura Ingalls Wilder, in bringing the classic *Little House on the Prairie* series to the American public. Bagge's portrait of Lane is heartfelt and affectionate, probing into the personal roots of her rugged individualism. (STL108337)

ANT COLONY HC

(W/A/CA) Michael DeForge

In the few short years since he began his pamphlet-sized comic book series *Lose*, Michael DeForge has announced himself as an important new voice in alternative comics. *Ant Colony* follows the denizens of a black ant colony under attack from the nearby red ants. On the surface, it's the story of this war, the destruction of a civilization, and the ants' all-too-familiar desire to rebuild. Underneath, though, *Ant Colony* plumbs the deepest human concerns - loneliness, faith, love, apathy, and more. All of this is done with humor and sensitivity, exposing a world where spiders can wreak unimaginable amounts of havoc with a single gnash of their jaws. (STK627922)

An intricate look at the fall of the Weimar Republic through the eyes of its citizens, *Berlin* will be one of the high-water marks of the medium: rich in its researched historical detail; compassionate in its character studies; and as timely as ever in its depiction of a society slowly awakening to the stranglehold of fascism. BIG QUESTIONS TP

(W/A/CA) Anders Nilsen

A haunting postmodern fable, *Big Questions* details the metaphysical quandaries of the occupants of an endless plain, existing somewhere between a dream and a Russian steppe. A downed plane is thought to be a bird and the unexploded bomb that came from it is mistaken for a giant egg by the group of birds whose lives the story follows. Nilsen seamlessly moves from humor to heartbreak. Rather than lending its world meaning, Nilsen's parable lets the questions wander where they will. (STK443211)

CRAIG THOMPSON

BLANKETS GN

(W/A/CA) Craig Thompson

Blankets is the story of a young man coming of age and finding the confidence to express his creative voice. Craig Thompson's poignant graphic memoir plays out against the backdrop of a Midwestern winterscape: finely-hewn linework draws together a portrait of small town life, a rigorously fundamentalist Christian childhood, and a lonely, emotionally mixed-up adolescence. Under an engulfing blanket of snow, Craig and Raina fall in love at winter church camp, revealing to one another their struggles with faith and their dreams of escape. This groundbreaking graphic novel, winner of two Eisner and three Harvey Awards, is an eloquent portrait of adolescent yearning; first love (and first heartache); faith in crisis; and the process of moving beyond all of that. FIRE!: THE ZORA NEALE HURSTON STORY HC

(W/A/CA) Peter Bagge

Peter Bagge's biography of Zora Neale Hurston is bold and dazzling, a story as brilliant as the life itself. Hurston challenged the norms of what was expected of an African American woman in early 20th century society. She arrived in NYC at the height of the Harlem Renaissance, surrounded by peers such as Langston Hughes and Wallace Thurman. Hurston went on to become a noted folklorist and critically acclaimed novelist, including her most provocative work *Their Eyes Were Watching God*. With admiration and respect, Bagge reconstructs her vivid life in resounding full-color. (STL032546)

First Year Healthy purports to be the story of a young woman, recently released from the hospital after an outburst, and her burgeoning relationship with an odd, perhaps criminal Turkish immigrant. In a scant 48 pages, working with a vibrant, otherworldly palette of magentas, yellows, and grays, Michael DeForge brings to life a world whose shifting realities are as treacherous as the thin ice its narrator walks on. *First Year Healthy* is all it appears to be and more: a parable about mental illness, a folk tale about magical cats, and a bizarre, compelling story about relationships. (STK659925)

WOMAN REBEL: THE MARGARET SANGER STORY HC

(W/A/CA) Peter Bagge

Peter Bagge's *Woman Rebel: The Margaret Sanger Story* is a dazzling and accessible biography of the social and political maverick. Bagge presents the life of the birth-control activist, educator, nurse, mother, and protofeminist from her birth in the late 19th-century to her death after the invention of the birth control pill. Balancing humor and respect, Bagge makes Sanger whole and human, showing how her flaws fueled her fiery activism just as much as her compassionate nature did. Bagge creates a fast-paced portrait of a trailblazer whose legacy as the founder of Planned Parenthood is still incredibly relevant, important, and inspiring. (STK620838)

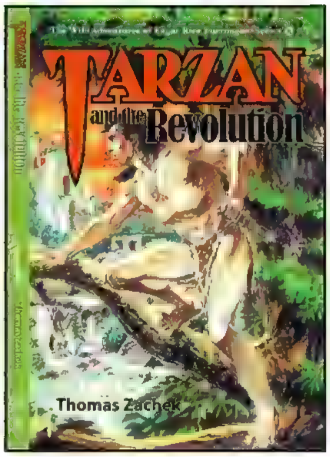
EDGAR RICE BURROUGHS, INC



THE WILD ADVENTURES OF EDGAR RICE BURROUGHS: TARZAN AND THE REVOLUTION NOVEL

(W) Thomas Zachek (A/CA) Mike Grell
Eric Benton, an idealistic young Midwestern Peace Corps volunteer, could hardly have known that his mission to help an African village would embroil him and his colleagues in the political struggles of an emerging African nation. The people of central Africa likewise had no idea how quickly their expectations for freedom could be taken away when a ruthless dictator seizes power. And Tarzan of the Apes had no idea that before long, he would be compelled, once again, to undertake a long and perilous journey with the Waziri to save their families. Set against a backdrop of political unrest in modern Africa, Thomas Zachek's latest page-turner takes the reader from the dank treasure troves of the lost city of Opar to turmoil in the city streets as Tarzan battles one of his most ruthless foes! Interior illustrations and cover by *Warlord*, *Green Arrow*, and *John Sable* writer/artist Mike Grell! (STL108342) (C: 0-1-0)

BILLIE THE BEE

By Mary Fleener

$14.99 / HC /128 pgs / BW / 6.5" × 9.5"

Mary Fleener returns with her very first original graphic novel! Billie is to be a worker bee, but she has far too much personality to simply collect pollen. Assigned to be a ranger, Billie and her forest friends attempt to right some ecological wrongs. *Billie the Bee* is not only a great re-introduction to one of the world's unique cartoonists, but also an informative look into the secret lives of bees and is especially timely since the insects are threatened now more than ever.

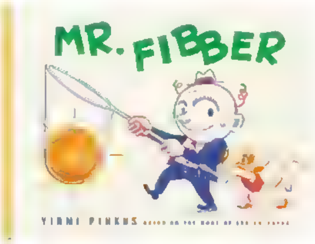
EDDIE SPAGHETTI

EDDIE SPAGHETTI

By Rutu Modan, based on the work of Areyeh Navon & Lea Goldberg

$12.99 / HC / 24 pgs / FC / 9" × 6.5"

Eddie Spaghetti, originally created in the 1930s, is one of the most beloved characters in the Hebrew language. In these charming stories Eddie, accompanied by his goofy dog, goes fishing in a goldfish bowl, saws the legs off a too-high table, and takes a bath with his clothes on! Rutu Modan, with bright colors and lively drawings, offers her own take on this classic character for a new, international generation of young readers.



MR. FIBBER

By Yirmi Pinkus, based on the work of Lea Goldberg

$12.99 / HC / 24 pgs / FC / 9" × 6.5"

Enter the whimsical world of Mr. Fibber, where events unfold with the absurd logic of a dream. These playful adventures, bursting with imagination, will enchant young readers. Based on Lea Goldberg's classic stories from the 1940s, *Mr. Fibber* introduces this charming character to a new generation of young readers and their parents. This is an exceptional book of high-quality comics designed specifically for children four and up.

I, RENÉ TARDI, PRISONER OF WAR AT STALAG IIB VOL. 2: MY RETURN HOME

By Jacques Tardi

$29.99 / HC / 192 pgs / FC / 9.25"×12.25"

Picking up where Vol. 1 left off, this volume begins with captured French soldier René Tardi's grueling journey eastward while evading the Russian Army, staving off hunger, and contending with the increasingly ill-tempered German guards. Throughout this harrowing odyssey, the only thing that keeps him going is the hope that he'll one day return home to France. Jacques Tardi's grim yet heartening biographical portrait of his father's life as a soldier during WWII is a personal and artistic triumph.

CULT OF THE IBIS

By Daria Tessler

HC / 212 pgs / BW / 8.5" × 11"

This exquisite and mostly-silent graphic novel takes place in a fantasy cityscape loosely inspired by German expressionist filmS. *Cult of the Ibis* tells the story of an occultist getaway-driver who, after escaping with the loot from a bank robbery gone wrong, orders a build-your-own homunculus kit and goes on the lam. Steeped in architecture and atmosphere, Tessler's gorgeous cartooning fuels this strangely gripping yarn, which is packaged in a gorgeous hardcover design.

BLOOM

(W) Kevin Panetta
(A/CA) Savanna Ganucheau

A thoughtful and endearing gay YA romance set in a bakery. Now that high school is over, Ari is dying to move to the big city with his ultra-hip band, if he can just convince his dad to let him quit their struggling family bakery. Though he loved working there as a kid, Ari cannot fathom a life wasting away his days over rising doughs and hot ovens. But in the midst of interviewing candidates for his replacement, Ari meets Hector, an easy-going guy who loves baking as much as Ari wants to escape it. As they become closer over batches of breads, love begins to bloom . . . that is, if Ari doesn't ruin everything. Writer Kevin Panetta and artist Savanna Ganucheau concoct a delicious recipe of intricately illustrated baking scenes and blushing young love, where the choices we make can have terrible consequences, but the people who love us can help us grow. KID GLOVES: NINE MONTHS OF CAREFUL CHAOS GN

(W/A/CA) Lucy Knisley

If you work hard enough, if you want it enough, if you're smart and talented and "good enough," you can do anything. Except get pregnant. Her whole life, Lucy Knisley wanted to be a mother. But when it was finally the perfect time, conceiving turned out to be harder than anything she'd ever attempted. Fertility problems were followed by miscarriages, and her eventual successful pregnancy was plagued by health issues, up to a dramatic, near-death experience in labor and delivery. *Kid Gloves* follows Lucy's personal transition into motherhood, and it also illustrates the history and science of reproductive health from all angles, full of curious facts and inspiring (and notorious) figures in medicine and midwifery. PTSD GN

(W/A/CA) Guillaume Singelin

In this uniquely imagined work of speculative fiction, a veteran finds herself marooned in her own city and haunted by her memories. After returning home from an unpopular war, Jun becomes an outsider in an indifferent world. Alone, desperate, and suffering from wounds both mental and physical, she seeks relief in the illicit drugs she manages to purchase or steal. Jun's tough exterior served her well in combat, but she'll need to nurture her vulnerability and humanity to survive at home. With the support of her fellow vets, the kindness of a stranger who refuses to turn away, and the companionship of a dog named Red, Jun learns to navigate the psychological trauma that she experienced in the war. (W) Robert M. Overstreet (CA) Sciver, Ethan Van

Leading off the 48th edition of *The Overstreet Comic Book Price Guide*, former DC Comics President and Publisher Paul Levitz highlights the legacy of *Action Comics* #1 on its 80th anniversary. The spotlight also is turned on 50th anniversary of Marvel's fateful 1968 expansion and the 50th anniversary of *Planet of the Apes* and the comics that followed the original feature film. Add in all the updated prices, current market reports, new additions to the Overstreet Hall of Fame and a selection of key character anniversaries and you have a solid reminder of why the Guide has been the Bible of comic book collectors and dealers since 1970! Premiere DC artist Ethan Van Sciver provides the *Flash/Green Lantern* cover, Ryan Sook provides the *Planet of the Apes* cover, and Howard Chaykin provides an *American Flagg* cover for this year's Hall of Fame edition.. THE OVERSTREET GUIDE TO GRADING COMICS SC (2016 EDITION)

Newly updated, *The Overstreet Guide To Grading Comics* includes the 10-point grading system, as well as exhaustive descriptions of Primary and Split Grades, examples of each grade with more than 200 full-color images in all, articles on storage, preservation, and restoration, a look at the independent, third-party grading companies, and much more! Since 1970, the name "Overstreet" has symbolized a vast knowledge of American comic books. While *The Overstreet Comic Book Price Guide* helps you learn about comic values, this third book in our new "How To" line teaches you the importance of condition (a factor that is often the key to real collectability) and how to grade accurately. From the Front: Inside the War Report

For the last 10 years, veteran comics collector and Overstreet Advisor Matt Ballesteros has recruited a team of fellow enthusiasts to contribute an extensive analysis of war comics sales for *The Overstreet Comic Book Price Guide*.

"The War Report," as their work is known, takes a look at top sellers, key issues, prices realized, origins, first appearances, and all of the other factors that collectors in other niches consider. The difference? These gentlemen have a very organized approach.

"Although we created this report to do open discovery of the war segment, there was of course hesitation to do so at first. There was an advantageous element to anonymity, in that my cohorts and I could gain from astute purchases on issues that no one had intel on," Ballesteros wrote in the current edition about their first effort 10 years ago. "Nevertheless, we felt it was better for the hobby, and certainly for the growth of our segment, if we openly shared our knowledge and findings."

Buoyed by Chris Pedrin's "Big Five" compendium and the Big Five War Summit of collectors, and then encouraged by Gemstone Publishing's J.C. Vaughn, they set out in 2007-2008 to produce a comprehensive detailing of war comics in the marketplace. Along the way, Alan Bartholomew, Richard Evans, Andy Greenham, Keith Marlow, Mick Rabin and Brian "Shep" Sheppard have contributed as "War Correspondents."

It's been an amazing process, one that I wish other niche enthusiasts – Disney, Valiant, Dell Four Color, you name it – would emulate. For instance, when I asked them in 2011 to refine what they knew about the great DC war comics character Sgt. Rock, they stepped up to the task.

Over the years we've seen significant mentions of Sgt. Rock in connection with *G.I. Combat* #68, and *Our Army At War* #81, 82 and 83.

"We researched and itemized any book credited with a Rock prototype or early appearance (including minor prototypes). We also contemporaneously dug into any historical data that we could get our hands on to ensure we were considering anomalous factors (including articles, interviews with the creators, and published subject matter expert opinions)," Ballesteros and his team wrote.

They ended up adding *Our Army At War* #84 as another significant issue.

AND OTHER EXPLOSIVE BATTLE ACTION STORIES!

The last few years, they've documented the strong divergence between prices for high-grade and lower-grade copies, and they've kept track of the most popular covers.

The War Report team's enthusiasm is something we could all use more of!

OVERSTREET MVC MOST VALUABLE COMICS

All Star Comics #8

Cover Price: 10¢

1970 Overstreet Price: $45

2018 Overstreet Price: $300,000

Known for: The first appearance of Wonder Woman! Debuting in an eight-page story written by William Moulton Marston (under the penname of Charles Moulton) with artwork by H.G. Peter, the story debuted in the *All Star Comics* series in order to test reader interest in the heroine. She proved to be so instantly popular that she was immediately tapped to star in *Sensation Comics* beginning from the inaugural issue of that series.

Did You Know?: *All Star Comics* debuted in 1940 and was intended to be an anthology series that contained stories focused on a number of the most popular heroes of the time, including the Golden Age's Flash, Hawkman, and Sandman. This format was dropped in 1947, and the book shifted to stories of regular heroic team-ups, such as with the Justice Society of America.

NUKE 'EM!: CLASSIC COLD WAR COMICS CELEBRATING THE END OF THE WORLD

Back in the 1950s, during the Cold War, every day beckoned with the possibility of the end of the world. Kids grew up in the shadow of bomb shelters and were treated to daily lessons at school on what to do in the event of a nuclear attack. Americans were besieged by constant reminders to police our borders, to carefully watch out for "foreigners" who might be spies, and to be ever vigilant in preparing to combat the "red" menace of communism. Comic books of this era played on these fears with stories of atomic war and World War III. This volume reprints the complete runs of *Atomic War!* (#1-4, November, 1952-April, 1953) and *World War III* (#1-2, March, 1952 and May, 1953) and can be read merely as great action/adventure stories, classic "war" comics or as an eerie, unanticipated commentary on today's tribulations. At birth, Hermes, son of Zeus and the Nymph Maia, says his first word: "Gimme!" In this brilliant, hilarious graphic novel about the mischievous, fun-loving messenger of the gods, Caldecott Medal winner Mordicai Gerstein, transports classical mythology to the 21st century. On his first day of life, Hermes manages to trick a turtle into surrendering its shell and a ram into surrendering its horns, thereby inventing the lyre, music, and song! He also manages to steal his brother Apollo's precious cows, but later redeems himself by outwitting the giant brothers Otus and Ephialtes, who have kidnapped Mars. These adventures and more, all derived from classical mythology, are told with great humor as well as a twenty-first century sensibility. (STL106986) (C: 0-1-0)

LOIS LOWRY: THE GIVER GN

(W) P. Craig Russell, Lois Lowry (A/CA) P. Craig Russell

The Giver is a modern classic and one of the most influential books of our time. Now in graphic novel format, Lois Lowry's Newbery Medal-winning classic story of a young boy discovering the dark secrets behind his seemingly ideal world is accompanied by renowned artist P. Craig Russell's beautifully haunting illustrations. In this new graphic novel edition, readers experience the haunting story of twelve-year-old Jonas and his seemingly ideal, if colorless, world of conformity and contentment. Witness Jonas' assignment as the Receiver of Memory, watch as he begins to understand the dark secrets behind his fragile community, and follow the explosion of color into his world like never before. Glint—the mineral resource that keeps the planet and people of Mora alive—is running low. Loon and all the other pit workers are confined to a life of glint mining to serve the greater good of Mora. But when Loon decides to leave the mines for the military, his hopes for wartime glory with the Temple of Sacred Defense are soon overshadowed by Mora's dark secrets.

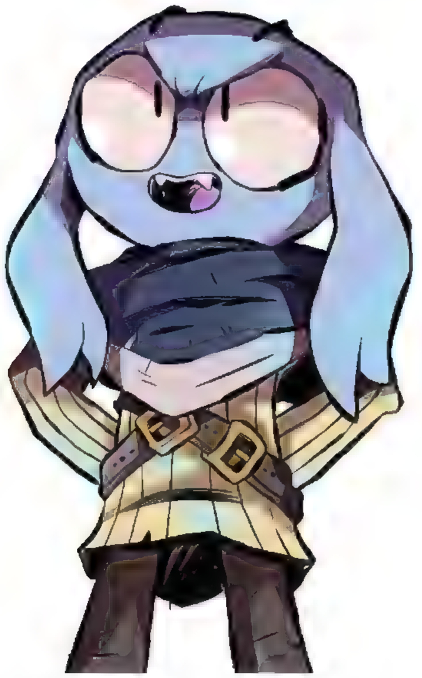
CHARACTERS TO WATCH

LOON OZOA

Loon Ozoa may be small, but he has the heart of a warrior. Born into the life of a pit worker, no one would believe Loon is destined for wartime glory. But when his home planet, Mora, continues to be threatened by Feeder attacks, Loon won't stand idly by and let his family of glint miners suffer any more. Following his friend Val to the Temple of Sacred Defense, Loon finds himself quickly thrust into the complicated world of Morain conspiracies.



FRANN (GRANDMA)

Loon Ozoa's grandma is the most legendary mine-finder in all of Mora. Grandma can sniff out the best glint in any tunnel. It's thanks to her and her motley crew—The Cloud Raiders—that Mora is still surviving, despite the constant Feeder attacks and the quick depletion of the planet's life-sustaining mineral resource. A former war hero herself, Grandma doesn't want Loon to head out into battle, and she'll do anything to keep the Feeders from taking her family.

Orphaned as a young boy, Genshi Sakagura was adopted by the Iga clan after witnessing the murder of his parents. Now, Genshi is a promising young *shinobi* with dreams of marrying Lord Haruki's beautiful daughter, Akemi, and leading the Iga clan warriors into battle. Genshi's future was promising, until his past came back to torment him in the form of an evil mountain spirit known as a Tengu. This demon relentlessly haunts Genshi's dreams and bends reality around him, but nothing compares to when the Tengu consumes him; Genshi transforms into an unstoppable force of nature incapable of remorse! BREAKING THE TEN GN'S
(W/A/CA) Sean Michael Wilson, Michiru Morikawa
When David loses his wife and child in a tragic car accident he decides, in anger at the cruelty of the event, to turn against God. He sets out to systematically break each of the Ten Commandments in or-der to both spite God and to get his attention! But will he go all the way, and break the commandment 'Thou shalt not kill'? Two mysterious figures, Mr. White and Mr. Black, try to win David over to their side: the religious or the humanistic. Deeply sad in parts and comical in others, this modern story ex-plores age old questions: Is there a God? And if there is, does that God care about us? (STL006203)

LETTERS TO SURVIVORS GN
(W/A/CA) Gebe
A haunting and darkly funny post-apocalyptic graphic novel that follows an unusual postal worker on his very bizarre mail route. In the blasted ruins of what was once a picture-perfect suburb, nothing stirs, except the postman. Clad in a hazmat suit and mounted on a bicycle, he is still delivering the mail, nuclear apocalypse or no nuclear apocalypse. One family has taken refuge in an underground fall-out shelter, and to them he brings - or, rather, shouts through the air vent - a series of odd, anonymous letters. This pioneering graphic novel was created in 1981 by famed French cartoonist Gébé and has never before been available in English. (STL106987) (C: 0-1-0)

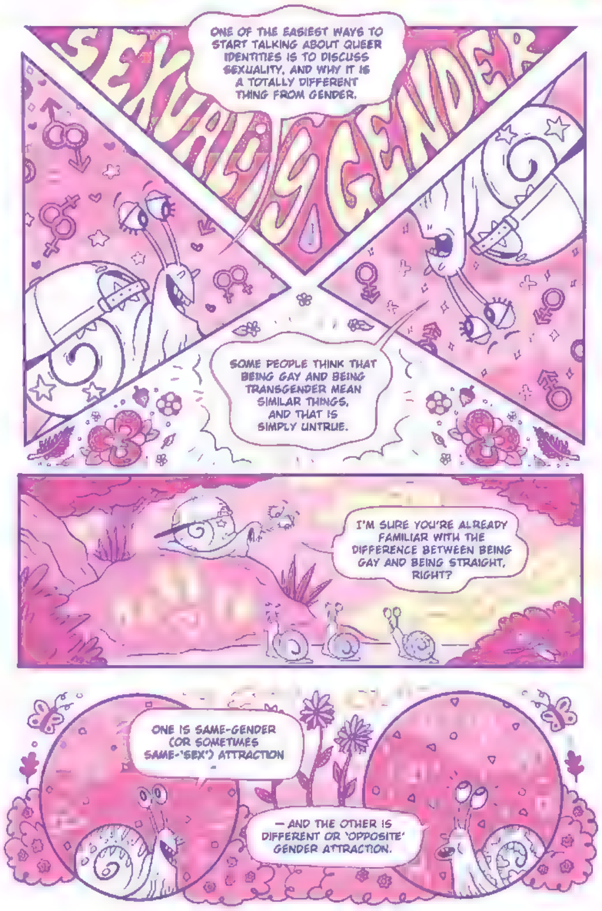
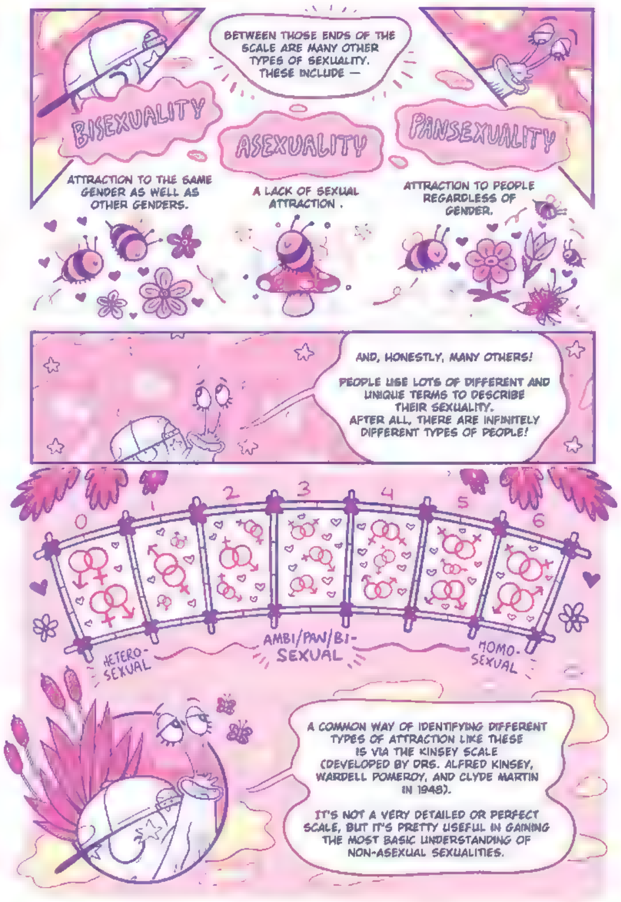
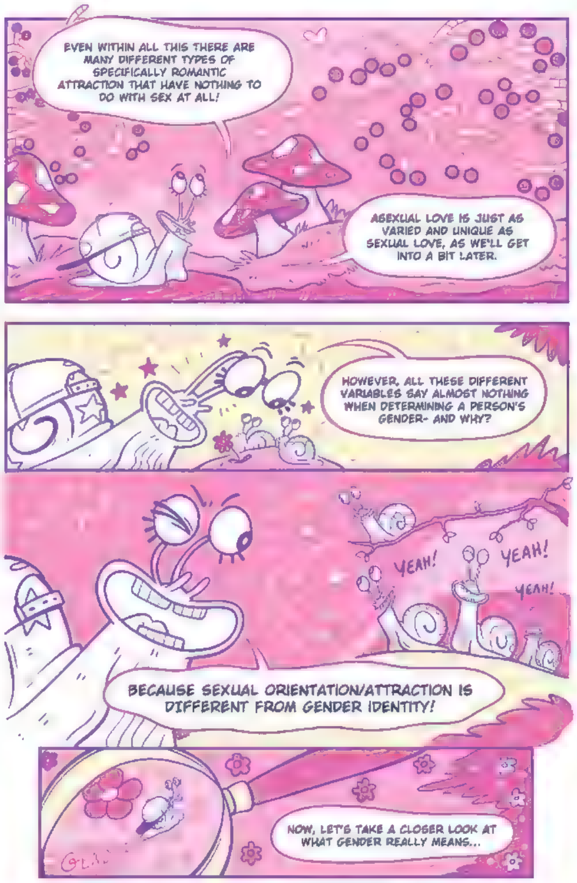
'QUEER' IS A WORD THAT HAS BEEN USED AS AN INSULT FOR LGBT PEOPLE SINCE THE TIME OF FAMOUS WRITER AND SOCIALITE OSCAR WILDE — TO WHOM, SOME SAY, IT WAS FIRST USED AGAINST.
WELL, AT LEAST I'M BEING TALKED ABOUT.
TIMES HAVE CHANGED QUITE A BIT SINCE THEN, AND LOTS OF FOLKS HAVE DECIDED TO RECLAIM THE WORD AND USE IT AS SHORTHAND FOR LGBT AS WELL AS AN UMBRELLA TERM TO COVER ALL DIFFERENT TYPES OF LGBT(Q) IDENTITIES — INCLUDING THOSE WITHOUT A CLEAR NAME.
IT HAS, IN A LOT OF WAYS, TRANSFORMED FROM A SLUR INTO A WORD THAT SYMBOLIZES UNITY AND CAMARADERIE AMONGST 'QUEER' PEOPLE — WHICH IS WHY WE PERSONALLY CHOOSE TO USE IT AS WELL.
QUEER
EVEN SO, MANY PEOPLE STILL CHOOSE NOT TO USE IT BECAUSE OF ITS HISTORY OF DEROGATORY USE — AND THAT'S OK TOO!
SELF-IDENTIFICATION IS JUST FLEXIBLE LIKE THAT!



SEXUALITY VS GENDER
ONE OF THE EASIEST WAYS TO START TALKING ABOUT QUEER IDENTITIES IS TO DISCUSS SEXUALITY, AND WHY IT IS A TOTALLY DIFFERENT THING FROM GENDER.
SOME PEOPLE THINK THAT BEING GAY AND BEING TRANSGENDER MEAN SIMILAR THINGS, AND THAT IS SIMPLY UNTRUE.
I'M SURE YOU'RE ALREADY FAMILIAR WITH THE DIFFERENCE BETWEEN BEING GAY AND BEING STRAIGHT, RIGHT?
ONE IS SAME-GENDER (OR SOMETIMES SAME-'SEX') ATTRACTION —
— AND THE OTHER IS DIFFERENT OR 'OPPOSITE' GENDER ATTRACTION.



BETWEEN THOSE ENDS OF THE SCALE ARE MANY OTHER TYPES OF SEXUALITY. THESE INCLUDE —
BISEXUALITY
ATTRACTION TO THE SAME GENDER AS WELL AS OTHER GENDERS.
ASEXUALITY
A LACK OF SEXUAL ATTRACTION .
PANSEXUALITY
ATTRACTION TO PEOPLE REGARDLESS OF GENDER.
AND, HONESTLY, MANY OTHERS! PEOPLE USE LOTS OF DIFFERENT AND UNIQUE TERMS TO DESCRIBE THEIR SEXUALITY. AFTER ALL, THERE ARE INFINITELY DIFFERENT TYPES OF PEOPLE!
0
1
2
3
4
5
6
HETERO-SEXUAL
AMBI/PAN/BI-SEXUAL
HOMO-SEXUAL
A COMMON WAY OF IDENTIFYING DIFFERENT TYPES OF ATTRACTION LIKE THESE IS VIA THE KINSEY SCALE (DEVELOPED BY DRS. ALFRED KINSEY, WARDELL POMEROY, AND CLYDE MARTIN IN 1948).
IT'S NOT A VERY DETAILED OR PERFECT SCALE, BUT IT'S PRETTY USEFUL IN GAINING THE MOST BASIC UNDERSTANDING OF NON-ASEXUAL SEXUALITIES.



EVEN WITHIN ALL THIS THERE ARE MANY DIFFERENT TYPES OF SPECIFICALLY ROMANTIC ATTRACTION THAT HAVE NOTHING TO DO WITH SEX AT ALL!
ASEXUAL LOVE IS JUST AS VARIED AND UNIQUE AS SEXUAL LOVE, AS WE'LL GET INTO A BIT LATER.
HOWEVER, ALL THESE DIFFERENT VARIABLES SAY ALMOST NOTHING WHEN DETERMINING A PERSON'S GENDER- AND WHY?
YEAH!
YEAH!
YEAH!
BECAUSE SEXUAL ORIENTATION/ATTRACTION IS DIFFERENT FROM GENDER IDENTITY!
NOW, LET'S TAKE A CLOSER LOOK AT WHAT GENDER REALLY MEANS...

MAI K. NGUYEN (W/A/C/CA)

160 Pages, Hardcover: $17.99, Softcover: $12.99

Release Date: 4/17/19, ALL AGES

For fans of the *Hilda* series and *Real Friends* comes *Pilu of the Woods*, a heartwarming story about complex emotions, friendship, and finding your way home, from debut author/illustrator Mai K. Nguyen!

Willow loves the woods near her house. They're calm and quiet, so different from her own turbulent emotions, which she keeps locked away. When her emotions get the better of her one day, she decides to run away into the woods. There, she meets Pilu, a lost tree spirit who can't find her way back home—which turns out to be the magnolia grove Willow's mom used to take her to. Willow offers to help Pilu, and the two quickly become friends.

But the journey is long, and Pilu isn't sure she's ready to return home yet—which infuriates Willow, who's determined to make up for her own mistakes by getting Pilu back safely. As a storm rages and Willow's emotions bubble to the surface, they suddenly take on a physical form, putting both girls in danger... and forcing Willow to confront her inner feelings once and for all.

BONUS CONTENT: This edition includes blank journal pages in the back to encourage readers to keep their own notes about nature and their feelings.

(A) India Desjardins

At fourteen, Amy Von Brandt doesn't feel particularly close to anyone. Since her father died, her mother has become some sort of a zombie, except all of a sudden, she's back to life (and even wearing edgy underwear!). Could there be a connection with Dennis Belcher, the school principal? (OMG!) As for her best friend, Kat, love has rendered her brain uncharacteristically mushy. No way that's happening to her, either! But it seems no one is truly safe from love at first sight... And in the middle of all this chaos, there's only one thing Amy really wants: to find her place in the universe. Available in softcover and hardcover editions. (STL087919)

TORSOBEAR VOLUME 2: ALL STITCHED UP TP

(W/A) Various

Torsobear: All Stitched Up is a collection of grisly crime yarns, written in the style of old film noir and set in a world of toys. Return to fluffy-noir in this step beyond imagination... With its greatest cop boxed up in toy prison, the sweet city of Toyburg is overrun with playthings on the edge of madness, driven by a mysterious force obsessed with the crimes of others. Looking back on recent villainy, can Ruxby survive long enough in jail to figure out who framed him? Can Hazbrow hold Toyburg Police together long enough to turn the tide? (STL107284) (C: 1-0-0)

ODDWELL VOLUME 1: THE FROG WAR TP

When the Princess of Zamanga is struck ill and the whole kingdom literally starts to crumble, the warrior, Oddwell, is summoned to complete one mission: save the Princess and save the world. Along the way Oddwell must learn to rely upon friends, old and new, as he comes up against sinister plots to turn the Princess against the Kingdom by an evil witch. As the Princess's condition deteriorates, so does the world she rules, leaving Oddwell in a race against time and his enemies. Meanwhile, in our world, a story runs parallel to this "Oddventure." As a young girl in the hospital is told stories by her big brother to keep her mind off the pain of recovery, parallels are drawn between the people in her own life, her illness, and even random objects and artwork around her room, with Oddwell, her favorite toy frog, at the heart of every epic tale. O/A TRENT GN

(W) Dino Stamatopoulos
(A/CA) Leah Tiscione

Trent is a light tragedy with music about the dangers of Hope and the delusions of Love. When Bob and Doris lose their baby boy, Trent, to a foolish mistake, they fall back on the old optimism of the classic musical. Singing their pain away and defying their doubts, their love of Trent teaches them that just because someone is gone it doesn't mean you stop loving them. Written by Dino Stamatopoulos, the writer and actor who immortalized Starburns on *Community*, and illustrated by Leah Tiscione, with a complete, free, downloadable soundtrack featuring the singing voices of Scott Adsit, Britta Phillips and Jay Johnston, bathe in the glory that is the graphic novel that launched Starburns Industries into comics. 75 YEARS of
MARVEL
from the Golden Age to the Silver Screen
by Roy Thomas
TASCHEN

MARVEL MARVEL.COM © 2014 MARVEL

From the very first issue of *Marvel Comics* in 1939, Marvel created a universe grounded in a world that readers recognize as close to their own, brimming with humor and heartache. This audacious approach launched the creation of heroes who have since become household names — Spider-Man, The Incredible Hulk, the Fantastic Four, Iron Man, the Avengers, Thor, the X-Men, the list goes on. TASCHEN presents a *magnum opus* of the influential comic book publisher. This book delves into the heart of thousands of costumed characters who continue to fight the good fight in comics, movies, and toy aisles of the world. (STK648817)

THE MARVEL AGE OF COMICS: 1961-1978 HC

(W) Roy Thomas (A) Various

With the publication of *Fantastic Four* #1 in November 1961, comics giant Marvel inaugurated a transformative era in pop culture. Through the next two decades, the iconic Hulk, Spider-Man, Iron Man,and the X-Men leapt, darted, and towered through its pages. *The Marvel Age of Comics 1961-1978* takes you to the heart of this seminal segment in comic history, an age of triumphant character and narrative innovation that reinvented the super hero genre. With hundreds of images and insider insights, the book traces the birth of champions who were at once epic in their powers and adversaries and grounded in a world that readers recognized as close to their own; relatable heroes with the same problems, struggles, and shortcomings as everyone else. THE GOLDEN AGE OF DC COMICS: 1935-1956 HC (NEW PRINTING)

The single most comprehensive book on the subject, this volume traces DC Comics's first decades, from its pulp origins up to the comic book burnings of the McCarthy '50s in over 400 pages bursting with comics, art, photographs, and more comics. The first in a new series, expanded from the Eisner Award-winning book, 75 Years of DC Comics, hits the shelf at a reader friendly size with essays updated by author Paul Levitz and over 1,000 new images across five volumes. Featuring a new interview with legendary artist Joe Kubert. (STL085453)

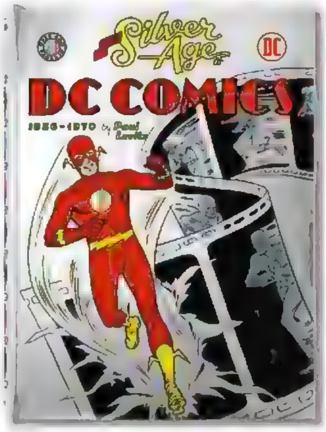
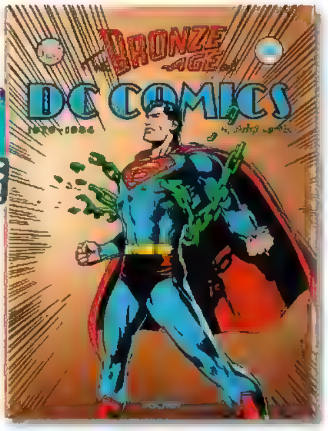
THE SILVER AGE OF DC COMICS: 1956-1970 HC (NEW PRINTING)



With super heroes nearly extinct at the start of the 1950s, DC Comics reignited the fire that would make them central to modern popular culture by infusing them with science fiction elements. DC's writers and editors spun ever-more fantastic tales, bringing super heroes and Bob Hope alike into the realm of sci-fi. The results were transformative, delivering the first-ever "reboot" of Golden Age greats with the Flash, Green Lantern, and Hawkman as well as the hit TV show *Batman*. The Silver Age of DC Comics chronicles it all. Plus, a new exclusive interview with *Green Lantern/Batman* artist Neal Adams! (STL085454)

HC, 9x12, FC..........$60.00

THE BRONZE AGE OF DC COMICS: 1970-1984 HC (NEW PRINTING)



With an undeniable mass appeal, Christopher Reeve's Superman cemented the role of the superhero as America's most enduring archetype, and the comic book as one of the country's most significant native art forms. That art form, however, was already moving in a new direction. Influenced by the emergence of underground comics and shifting political tides, DC's line of comics was increasingly aimed at adults. Socially relevant subjects such as drug addiction, racism, and women's rights had entered the mainstream, and comics weren't just for kids anymore. *The Bronze Age of DC Comics* includes an original interview with *Green Lantern/Green Arrow* writer Denny O'Neil. EVIL INC: UNDER NEW MANAGEMENT GN

Finally, a reboot that fits like a glove. After ending the popular *Evil Inc* comic strip, webcomics pioneer Brad Guigar relaunches the series as a graphic novel. Familiar characters like Lightning Lady and Miss Match now operate out of a branch office, and old relationships (like Miss Match's marriage to Captain Heroic) are dissolved. With new characters and chapter-length storylines, this might be the first reboot you actually enjoy. (STL107693)

CHRONIN VOLUME 1: THE KNIFE AT YOUR BACK GN

(W/A/CA) Alison Wilgus

Samurai Jack meets *Back to the Future* in Alison Wilgus's full-length debut, an action-packed time travel adventure. 2042, New York City: A day in the life of college student Mirai Yoshida means studying Japanese history, learning swordmanship, flirting with her TA, and preparing to travel to Japan in 1864. Everything changes once she goes back to the past. Mirai and her classmates are ambushed by rebel samurai. Her friends are killed, her time travel machine is lost, and Mirai ends up marooned. In order to survive, she disguises herself as a wandering samurai and is hired by Hatsu, a tea waitress, as bodyguard for her travels. Mirai has to find her way back to the future soon, or else she may be the first casualty on the bloody front lines of a conflict that is destined to shape a nation. O/A MIKE GRELL: LIFE IS DRAWING WITHOUT AN ERASER SC

(W) Dewey Cassell (A) Mike Grell

From a seminal turn on *Superboy and the Legion of Super-Heroes* and creating the lost world of the Warlord, to his work on *Green Arrow*, Mike Grell made an indelible mark at DC Comics in the 1970s and '80s. But his greatest contribution to the comics industry was in pioneering creator-owned properties like *Jon Sable*, *Starslayer*, and *Shaman's Tears*. This career-spanning tribute to the master storyteller is told in Grell's own words, full of candor, optimism, and humor. Full of illustrations from every facet of his long career, with a Foreword by Chad Hardin, it is a fitting tribute to the artist, writer, and storyteller who has made the most of every opportunity set before him, living up to his own mantra, "Life is Drawing Without an Eraser." CAPTAIN MARVEL AND THE ART OF NOSTALGIA HC

(W) Brian Cremins

The marvelous story of innovators C. C. Beck and Otto Binder and their mighty American hero Billy Batson discovers a secret in a forgotten subway tunnel. There the young man meets a wizard who offers a precious gift: a magic word that will transform the newsboy into a hero. When Billy says, "Shazam!," he becomes Captain Marvel, the World's Mightiest Mortal, one of the most popular comic book characters of the 1940s. This book tells the story of that hero and the writers and artists who created his magical adventures. (STL107193)

CHAM: THE BEST COMIC STRIPS & GRAPHIC NOVELETTES 1839-1862 HC

(W) David Kunzle

Cham, real name Count Amédée de Noé and a serious rival to Daumier, may have been the epitome of a célèbre inconnu, a famous unknown. He is one much deserving, at last, of this first account of his huge oeuvre as a caricaturist. This book concentrates on his mastery of the important newcomer to the field of caricature, which we call comic strip, picture story, and graphic novel. The volume features facsimiles of nearly twenty of these from 1839 to 1863 and ranging from one page to forty (this last a parody of Victor Hugo's *Les Misérables*). In addition, summaries and sample illustrations of twenty-seven "minor works" demonstrate that Cham is by far the most important specialist of what was then a new genre in Europe. THIERRY GROENSTEEN Translated by ANN MILLER

THE EXPANDING ART OF COMICS: TEN MODERN MASTERPIECES HC

(W) Thierry Gronesteen, Aaron Miller
(CA) Jens Harder

In *The Expanding Art of Comics: Ten Modern Masterpieces*, prominent scholar Thierry Groensteen offers a distinct perspective on important evolutions in comics since the 1960s through close readings of ten seminal works. He covers over half a century of comics production, sampling a single work from the sixties (*Ballad of the Salt Sea* by Hugo Pratt), seventies (*The Airtight Garage of Jerry Cornelius* by Moebius), eighties (*Watchmen* by Alan Moore and Dave Gibbons), and nineties (*Epileptic* by David B.). Then this remarkable critic and scholar delves into recent masterpieces, such as *Building Stories* by Chris Ware. (STL107194) (C: 0-1-0)

OPENNESS OF COMICS: GENERATING MEANING WITHIN FLEXIBLE STRUCTURES SC

(W) Maaheen Ahmed

Never before have comics seemed so popular or diversified, proliferating across a broad spectrum of genres, experimenting with a variety of techniques, and gaining recognition as a legitimate, rich form of art. Maaheen Ahmed examines this trend by taking up philosopher Umberto Eco's notion of the open work of art, whereby the reader (or listener or viewer, as the case may be) is offered several possibilities of interpretation in a cohesive narrative and aesthetic structure. Ahmed delineates the visual, literary, and other medium-specific features used by comics to form open rather than closed works, methods by which comics generate or limit meaning as well as increase and structure the scope of reading into a work. HELLBOY: SEED OF DESTRUCTION #1 25TH-ANNIVERSARY EDITION

Recommended by Jim Kuhoric

I had lunch with Mike Mignola the month he was preparing to list *Hellboy: Seed of Destruction* #1 in ***PREVIEWS*** way back in 1993. Would he remember that? Probably not. But I do. The excitement he and Mike Richardson had for this new project was contagious. Looking over the art for the creation and seeing the first full *Hellboy* issue take shape was really one of those "remember where you were" moments in my comic book collecting life. I bought a copy of *Hellboy: Seed of Destruction* #1 a few months later from my local comic shop and began a quarter century of enjoyment reading the exploits of the world's greatest paranormal investigator.

This upcoming spring, on March 23, Dark Horse and Mignola will be celebrating "Hellboy Day" and the incredible universe of characters, movies, and events that have spun out of the seminal creation with a new *Hellboy Seed of Destruction #1 25th-Anniversary Edition* comic book. If you are a new comics fan, this is a great way for you to discover one of the true gems of the hobby and pick up a rare edition for your collection. And for fanboys and fangirls who already know Hellboy, don't miss this opportunity for you to share your love of the character and comics with new readers and get some cool exclusive swag at your local comic shop.

An ancient evil returns!

Long ago, the mighty generals of the Mongol Empire rode from Siberia to Carpathia and conquered all who stood in their way. Legends tell of a witch who walked with them, who could infect the hearts of any warriors in her midst with an unquenchable thirst for battle and bloodshed...a War-Monger. And now she is walking again.

This winter, an ancient evil will stir as superstar-in-the-making Tini Howard (*Captain America Annual #1, Assasinistas*) and powerhouse artist Amilcar Pinna (*Generation X*) unleash hell in a brand-new saga of honor, love, and savagery that's centuries in the making!

ONE DOLLAR DEBUT: WRATH OF THE ETERNAL WARRIOR #1

Buy with INCURSION #1! Just $1!

Re-printing WRATH OF THE ETERNAL WARRIOR #1 (2015), a perfect primer to this month's debut of INCURSION – for just one dollar! New York Times best-selling writer Robert Venditti (BOOK OF DEATH, X-O MANOWAR) and visionary artist Raúl Allén (NINJAK, *Hawkeye*) forge a new legend for Valiant's master of war in this first issue of this critically beloved ongoing series!

For five millennia, the Eternal Warrior has shaped history at the end of his sword. He's razed empires, toppled civilizations, and broken armies as an immortal soldier in service to the Earth.

But now, the Eternal Warrior has been torn from the world he once protected and finds himself stranded in a hostile alien landscape unlike any he's faced before. Separated from his earthly environs, can history's deadliest soldier survive a realm far older, far deadlier, and far more ruinous than anything he's ever encountered? Beyond Earth lies eternity...

FAITH: DREAMSIDE TPB

Faith enters a previously unseen realm of the Valiant Universe!

Even before Faith Herbert, AKA Zephyr, gained the power of flight, joined the Harbinger Renegades, and soared through the skies of the Valiant Universe, deep down she was always a hero at heart. But what's a hero to do in the face of a foe that exists only in nightmares? Face them head-on, of course! To protect the dreams of her teammate, Animalia, Faith must venture into a fantastical new realm the likes of which we've never seen...and she'll need some help from the world's premiere parapsychologist, Doctor Mirage, to make it back with her subconscious mind still intact!

THE BEST OF ALEX TOTH AND JOHN BUSCEMA'S ROY ROGERS COMICS HC

Recommended by Steve Leaf

Roy Rogers
Hermes

My heroes have always been cowboys, if not superheroes, and sometimes those cowboys even sang. On Saturday morning and after school there was the Cisco Kid and Pancho, the Lone Ranger and Tonto, and the king of the cowboys, Roy Rogers. If it was on TV, then you know Dell Comics did a comic book featuring those shows and characters. While the Lone Ranger was my Batman of the west, Roy Rogers with Dale, Trigger, and Bullet was the cowboy Superman, a true boy scout.

Hermes Press's *The Best of Alex Toth and John Buscema's Roy Rogers Comics* exclusively features the work of comic book legends Alex Toth and John Buscema. Each story was handpicked by Roy's son, Dusty, and include his favorite stories. Featuring over 256 pages of comics this book brings together not only the best western tales of America's favorite cowboy as illustrated by two of the Silver Age's most important artists, Alex Toth and John Buscema. This edition also includes original artwork, documentary material, an introduction by Roy "Dusty" Rogers, Jr., and an extensive essay.

This book provides a welcome companion to Hermes Press' definitive reprint of the *Roy Rogers* newspaper strip, *Roy Rogers King of the Cowboys: The Collected Dailies and Sundays*.

Cue the music and a Happy Trails to You, hopefully to your comic shop for *The Best of Alex Toth and John Buscema's Roy Rogers Comics*.

MORROW

GOOD OMENS SC (TELEVISION TIE-IN EDITION)

(W) Neil Gaiman, Terry Pratchett (A/CA) Various

The classic collaboration from the internationally bestselling authors Neil Gaiman and Terry Pratchett, soon to be an original series starring Michael Sheen and David Tennant. According to *The Nice and Accurate Prophecies of Agnes Nutter, Witch* (the world's only completely accurate book of prophecies, written in 1655, before she exploded), the world will end on a Saturday. Next Saturday, in fact. Just before dinner. So the armies of Good and Evil are amassing, Everything appears to be going according to Divine Plan. Except a somewhat fussy angel and a fast-living demon, both of whom have lived amongst Earth's mortals since The Beginning and have grown rather fond of the lifestyle, are not actually looking forward to the coming Rapture. And someone seems to have misplaced the Antichrist... (STL107029) (C: 0-1-0)

E.X.O.: The Legend of Wale Williams is a science fiction superhero story about redemption, set in a near-futuristic Africa (Lagos, Nigeria). Lagoon City bears witness to the rise of AVON just three months after the fall of Oniku, leader of the extremist group, The CREED, at the hands of EXO aka Wale Williams. AVON, a super virus created by PryTek, becomes sentient after a failed NOVA experiment, hijacks an android shell and sets his eyes on Lagoon City as its proving ground in his plot to "reset humanity!" Once again, Wale must now stand in the way of an evil created by the very thing that makes him "super." ARMY OF DARKNESS VS BUBBA HO-TEP #1

Recommended by Matthew Demory

I'm going to be honest. I've written this staff pick about five times and deleted it each time because I keep fanboying out about *Evil Dead* and *Bubba Ho-Tep*. Both are freaking awesome movies, both star the legend that is Bruce Campbell, and I love them. As a fan, it's great that we've had a chance to revisit the *Evil Dead* franchise so many times through movies, television, and comics. We've not had that same chance with *Bubba Ho-Tep* until 2018.

In 2018, IDW released *Bubba Ho-Tep & the Cosmic Blood Suckers*. Finally we had a chance to check in with Sebastian Haff. Now that the IDW series is being collected, we have a new shiny thing to look forward to! Dynamite Entertainment and IDW are joining forces to allow Ash Williams (*Army of Darkness*) and Sebastian Haff/Elvis (*Bubba Ho-Tep*) to join forces for the first time in *Army of Darkness vs Bubba Ho-Tep!*

Written by scribe Scott Duvall (*Narcopolis: Continuum*) with art by Vincenzo Federici (*Pathfinder: Spiral of Bones*) is shaping up to be a title to pick up if you're a fan of Bruce, the movies, or just want to see a time traveling hero that fights demons battle it out against the King himself, Elvis.

This February don't forget to TCB and pick up *Army of Darkness vs Bubba Ho-Tep #1* from Dynamite Entertainment this February!

MORE ABOUT MANGA!

FAKKU!

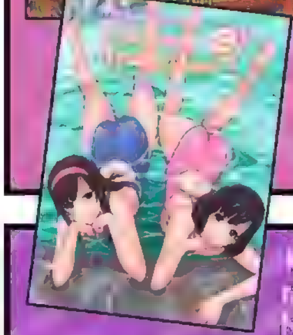
EROMANGA & HENTAI

By FAKKU Vice President, Ed Chavez

While often used as a catch-all term for erotic content originating from Japan, "hentai" is a Japanese word often used to simply call something or someone "perverse." The origins of hentai go back centuries in Japan, specifically drawn from a subset of Japanese woodblock prints called "shunga".

Ecchi Sketch!

"Eromanga", a portmanteau for erotic manga, is the modern descendent of shunga. Comics and graphic novels depicting sexual interactions have been one of the more infamous forms of media to come out of Japan since its debut in the in '50s.



Since the '80s, "eromanga" began to develop its own brands, anthologies, and readerships. Sexy tales of fantasy and science-fiction such as UrotsukiDoji: Legend of the Overfiend (MAY182232) made waves with their storytelling and how much they pushed the boundaries of sexual expression in comics.

By the '90s, larger publishers began moving into "eromanga", further expanding the reach of these comics and increasingly exposing more of these works to the world of anime.

Koume Keito is best known for his work on Spice & Wolf, but he recently published the full-color sci-fi harem tale School Love Net (MAY182231). And Hanaharu Naruko, best known for designs on the series KamiChu! and Gargantia on the Verdurous Planet, penned one of the best-selling "eromanga" of all time: Shoujo Material (FEB181543).

These days "eromanga" as a subset of manga is almost as broad and diverse as mainstream manga itself. There are all manner of themes — monster girls, ubran fantasy, LGBT and social drama.

Eromanga has recently even gone global with Western artist GY and his debut series, Shady Dealings (APR182016), which has opened the doors to new and fresh perspectives on perversion.

YURI BEAR STORM VOL. 2

When Ginko discovers a pendant that releases her hidden memories, she learns the truth about the relationship between Kureha's mother and her own. Frightened by this new revelation, Ginko decides to distance herself from the girl she loves to keep her safe. After all, a bear and a human couldn't possibly be together, no matter how they feel about each other -- or so her mother said.

Are Kureha and Ginko doomed to repeat the past mistakes of their families, or can their love for one another overcome their star-crossed fate?

DISNEY BEAUTY AND THE BEAST 2-IN-1 FLIP BOOK

In Disney's live-action film "Beauty and the Beast," Belle, a bright, beautiful and independent young woman, is taken prisoner by a beast in his castle. Despite her fears, she befriends the castle's enchanted staff and learns to look beyond the Beast's hideous exterior and realize the kind heart and soul of the true Prince inside. This manga explores the Beast's struggle as he tries to move on from his past and learn what it is to love and Belle's innermost thoughts as she learns that true beauty comes from within.

WOOF WOOF STORY: I Told You to Turn Me into a Pampered Pooch, Not Fenrir!, Vol. 1

Writer: Inumajin
Artist: Kochimo

Due to extreme fatigue and terrible work conditions, Routa dies without having done much with his life. As he breathes his last, the only thought in his mind is to be reborn as the dog of a rich family so he can enjoy the good life. A merciful goddess takes his plight to heart and grants his final wish, sending Routa to be reincarnated as the pet of a wealthy young lady! It seems like he got exactly what he wanted, but it soon becomes clear that he's much too large, much too powerful, and gets in too much trouble to be any regular old dog!

(W/A/CA) Jiro Taniguchi

Who hasn't dreamed of going back to childhood? Hiroshi is a fortysomething salaryman returning from a business trip when he is catapulted back into his fourteen year-old life and body while retaining all the character and experience of his adult self. Will he change his past or be forever condemned to relive each painful moment? That fateful day his father disappeared without explanation, the death of his mother, would he marry his childhood sweetheart so never see his wife and daughters again? Previously released in two volumes, this celebratory edition brings the entire fascinating story together under one beautiful hardcover with additional full color pages. (STL018825)

HOW NOT TO SUMMON DEMON LORD VOLUME 1 SC LIGHT NOVEL

(W) Yukiya Murasaki
(A) Takahiro Tsurusaki

In the MMORPG *Cross Reverie*, Takuma Sakamoto is so powerful that he is lauded as the "Demon Lord" by other players. One day, he is summoned to a world outside his own, but with the same appearance he had in the game! There, he meets two girls who both proclaim themselves to be his Summoner. They perform an Enslavement Ritual to turn him into their Summon... but that's when Takuma's passive ability "Magic Reflection" activates! Instead, it is the girls who become enslaved! Though Takuma may be the strongest Sorcerer there is, he has no idea how to talk with other people. It is here he makes his choice: to act based on his persona from the game, Diablo, the being known and feared as the Demon Lord! (STL107466) (C: 1-1-0) **NOTE:** Available only in the United States, Canada, and U.S. Territories.

HOW NOT TO SUMMON DEMON LORD VOLUME 2 SC LIGHT NOVEL

(W) Yukiya Murasaki
(A) Takahiro Tsurusaki

After being summoned to another world that resembled the video game *Cross Reverie*, Takuma Sakamoto accidentally ended up with two girls as his slaves: the Pantherian, Rem, and the Elf, Shera. Takuma, under the guise of his screenname Diablo, came to this world a powerful Sorcerer, just like his avatar in the game. Along with the two girls and Emile, a devilishly handsome Warrior, they managed to protect the town of Faltra from the looming threat of invasion by the malevolent Fallen. But that peace they brought upon the town did not last long. The Kingdom of Greenwood, a country of Elves, makes a troubling demand: if their princess isn't returned to her rightful home within the time allotted, then the Kingdom will declare war on Faltra! (STL107467) (C: 1-1-0) **NOTE:** Available only in the United States, Canada, and U.S. Territories.

AGAIN!! VOLUME 7 GN

(W/A/CA) Mitsurou Kubo

From one of the minds behind *Yuri!!! on Ice* comes a dramatic, funny time-traveling high school story about what it means if you had the chance to do everything... again! Kinichiro isn't even that bad. It's just that on the first day of high school, his narrow eyes made him look shifty, so people assumed he was trouble. Now it's graduation, and he's looking back on three years with no friends. He never even joined a club. But after a bloody collision and an accidental fall, he wakes up a high school freshman, with the chance to try it all over! (STL107006) (C: 1-1-0) **NOTE:** Not available in Australia, Singapore or the Philippines.

AHO-GIRL (CLUELESS GIRL) VOLUME 11 GN

(W/A/CA) Hiroyuki

Yoshiko is a hopefully clueless high school girl. Her rock-paper-scissors strategy is "rock." She somehow gets zeroes on multiple-choice tests. And she has an often-nearly-fatal weakness for bananas. Her devoted friends have no choice but to hang around and make sure nobody takes advantage of her. (Of course, the entertainment value might have something to do with it, too.) Cute characters, weird gags, and lots and lots of bananas! (STL107007) (C: 1-1-0) **NOTE:** Not available in Australia, Singapore or the Philippines.

VERSAILLES OF THE DEAD VOLUME 2 GN

(W/A/CA) Kumiko Suekane

The French Revolution with zombies! A slick, gender-bending twist on history! While en route from Austria to marry Louis XVI and become the Queen of France, Marie Antoinette's carriage is intercepted by bloodthirsty zombies. The sole survivor of the attack is Marie's twin brother, Albert. He heads for Versailles in his sister's gown and, instead of continuing life as himself, decides to take his sister's place. Now at the heart of the French royal court, Albert must face the undead horrors as the man who would be queen. (STL107028) (C: 0-1-0)

DEVILMAN: THE CLASSIC COLLECTION VOLUME 1 GN

(W) Go Nagai (A/CA) Rui Takatou

The original horror manga classic that inspired the genre for decades! For ages, the demons that once ravaged the earth have been trapped, leaving earth to enjoy a time of relative peace. But that peace is coming to an end. Demons have risen once again, tipping the world ever closer to Armageddon. Gentle Akira Fudo may seem like an unlikely hero, but due to his pure heart, he is able to become Devilman — a human with demonic powers, and the planet's only hope of salvation! (STL070180)

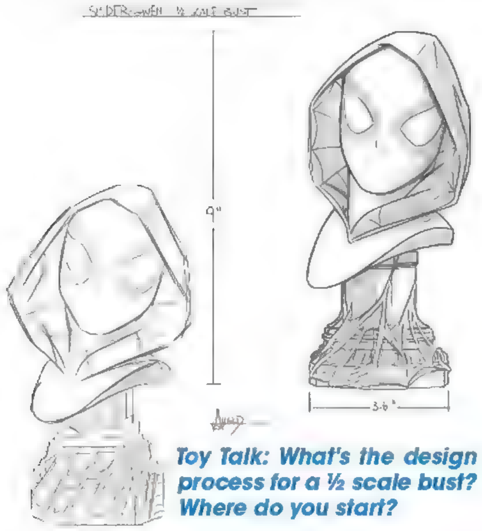
TOY TALK: JOE ALLARD

Toys, Statues and other collectibles don't just magically appear on store shelves. A lot of work goes into the concept, design, sculpting and final production of these items, and many of the people who work behind-the-scenes with companies like Diamond Select, DC Collectibles and Gentle Giant, among others, remain mostly unknown to their appreciative audience: the final consumer.

With *Toy Talk*, we hope to introduce you to the artisans behind some of your favorite collectibles, and to let them enjoy their well-deserved moment in the spotlight!

This month, we welcome Diamond Select Toys Designer, *JOE ALLARD*...

• •



Toy Talk: What's the design process for a ½ scale bust? Where do you start?

Joe Allard: Research. Most jobs start with research. Like Indy says: "Seventy percent of all archaeology is done in the library." Except that now we have the internet. I like to immerse myself in the subject matter for a while before I start to design. If it's based on a movie, I'll try to watch it, or read the comic. Google is always your friend as well! All the Wiki's out there provide a lot of good inspirational material. I find that even though I have a slew of good art books, I still jump to the internet first. It's just more efficient when you have deadlines. It's also always a good idea, when doing your research, to look at what's been done before so you do something new and different and not repeat what's out there. There are a lot of superhero collectibles out there, so part of the challenge in designing these pieces is coming up with something different and refreshing.

Toy Talk: You've designed action figures and statues as well. What's different about designing a bust?

Joe Allard: It's half the job! *HA!* Actually, I do like to imagine the bust as a full figure at first, just to get an idea of what the rest of him is doing, so I get the top part looking interesting, rather than just straight front and center. Also, the face and expression are super important in a bust because it's where your focus is and it's much larger than a statue or figure. You want to capture some sort of expression or emotion, but not so much that it takes away from the character likeness. It has to be subtle but noticeable. Even though Captain America may yell or grimace a lot in the films or comics, you don't necessarily want a bust of him mouth wide open ready for a dental exam. Something more stoic and iconic usually works best with this type of collectible. You're trying to capture the essence of these characters with one image. For Cap since I brought him up, I wanted to express his optimistic and honorable personality. So, he's glancing up, maybe at the flag, feeling all warm and fuzzy for his country, confident he's there to meet any challenge.

Toy Talk: How did you get into the business of designing toys?

Joe Allard: I started out coloring comic books for Malibu and Marvel Comics in the mid 90's. My original goal was to become a comic book penciller, The Next Todd McFarlane, and sit at home in my underwear drawing comics all day. Eventually the industry took a dive and Marvel closed the West Coast coloring office, so I found myself looking for a new job.

I took a product designer position at company called Applause where I was designing gifts and collectibles for everything from Marvel and Star Wars to Disney and Muppets. Right away I fell in love with the process of creating toys and collectibles. The joy of seeing something I designed produced in 3D form that someone could hold and play with or collect was such a thrill and still never gets old to me.

I love collaborating with the sculptors and other artists to bring these things to life. I love that I get to play in this sandbox of characters that I grew up loving and still do to this day. So, I continued to work at various toy companies over the next decade learning as much as I could and making connections.

Then, about 16 years ago, I made the leap to freelance designer and eventually started up Design Devil, my independent design and development company. Now I've come full circle, and basically get to sit at home in my underwear and draw comic book characters all day! Over the years I've worked for all the major toy and collectibles companies and have had the pleasure of working with Chuck and Robert at Diamond on many fun projects for over 12 years.

Toy Talk: How did you create the design for the Gwen Stacy bust?

Joe Allard: I'll be honest here, Spider-Gwen wasn't a character I was super familiar with. I know Gwen Stacy of course, Spidey is a favorite of mine and I use to read the title for years. But I'm a bit out of the loop on some of the newer storylines. So much good stuff out there it's hard to keep up with all of it! So, Google was my friend. I did research. I got a few issues of the Spider-Gwen comics to catch up on the character before starting the design. Maybe a bit overkill for just a bust, but it's how I like to work. Then since I was also designing the Spidey, and Venom busts, I wanted all three to kind of work together, and all be looking different directions. That's one of the benefits of working on an entire line like I was fortunate to do here, you can make sure they are all cohesive and work together as a set.

Toy Talk: Do you have a favorite character/ franchise you've worked with so far?

Joe Allard: That is TOUGH! I love them all! I'll say Jack Sparrow was fun, because it's always good to get another dread-head some collectibles love. Even though the dude totally stole my look.

PENNYWISE STALKS PREY IN TWEETERHEAD MAQUETTE

The calendar may say that Halloween has past, but it's never a bad time to get spooky.

From the highest-grossing horror film of all-time, *It* re-introduced a new generation to Pennywise, the creepy clown that acts as the antagonist in film.

Tweeterhead has introduced a 13-inch maquette that'll bring all of the scares from the movie right to your toy display. The Pennywise maquette features the clown crouched over a coffin, holding the red balloon he uses to lure children into their death.

The hand that holds the signature red balloon can be swapped out for a gesturing hand, creating a pose that's begging fans to take a closer look at Pennywise.

Tweeterhead's maquette boasts screen accurate paint work, which is crucial to catching all of Pennywise's creepy clown makeup, as well as the rest of his terrifying features.

Whether you're a fan of Stephen King, *It*, Pennywise or just love creepy clowns, this Pennywise maquette from Tweeterhead will make a perfect addition to your collection.

BY THE POWER OF GRAYSKULL, HE-MAN IS MAKING HIS TRIUMPHANT RETURN

By the power of Grayskull, I have the power... and so can you!

One of the classic toys of your childhood has gotten a lot cooler since the last time you saw him. Coming to comic shops in March 2019 is Mondo's 1/6-scale *He-Man* collectible figure from the classic *Masters of the Universe* line.

And this isn't your run-of-the-mill blister card figure that you remember. This ultra-detailed figure stands about one-foot tall and *tons* of accessories, including a power sword, battle axe, sheath, shield, short sword, hand blaster, rifle blaster, six interchangeable hands and a fabric costume.

This figure is for all *He-Man* fans. The figure comes with two head portraits, one featuring a detailed sculpt and one featuring a sculpt accurate to that in his original appearance in the toy line. His hand blaster and rifle blaster accessories are perfect for fans of the 1986 Dolph Lundgren film.

Looking to re-start your *Masters of the Universe* collect after all these years? Mondo's *He-Man* figure is the perfect place to start.

He may just be the most powerful figure you will ever find, from here to Eternia!

YOU NEEDN'T FORGE YOUR OWN REPLICA OF THE THIRTEENTH DOCTOR'S SONIC SCREWDRIVER

M-144

The BBC's *Doctor Who* returned to televisions in September on a new night (Sundays) with a new actor in the lead role (Jodie Whittaker) and garnered the best ratings the series has seen in years! A new Doctor also means a new Sonic Screwdriver, and Seven 20 has recreated the familiar device with their *Doctor Who: Thirteenth Doctor Sonic Screwdriver*. You don't have to go to Sheffield to forge one; just go to your local comic book store!

MARVEL'S CABLE JOINS MEZCO'S *ONE:12 COLLECTIVE* FIGURE LINE

M-52

The time traveling mutant telepath Cable has been one of Marvel Comics' most intriguing characters since his introduction in the pages of *New Mutants* #87. A cybernetic mercenary and the son of Scott Summers, Cable took the New Mutants and molded them into an elite strike team, X-Force. Mezco celebrates the character with their *One:12 Collective: Marvel: Cable Action Figure*, an impressive 1/12-scale action figure that features a detailed sculpt, 30 points of articulation, big weapons, and a real cloth costume. Add Mezco's Cable to your collection in 2019!

MERMICORNO SERIES 3

One special night, a group of Unicornos were flying in the direction of falling stars. The falling stars were disappearing into a sparkly sea which transformed them into star fishes, while changing snowflakes into jelly fish. They rode the tail of a shooting star into the magical sea turning them into enchanting creatures of half Unicorno and half fish. One day while following migrating dolphins, they discovered the surface of our world. Thus began the legend of the Mermicornos, rumored to only resurface during a lunar eclipse.

WARNER BROS. GET ANIMATED 8-INCH VINYL FIGURES

Warner Bros. animated characters have a long history of invading pop culture through television, from popularizing classical compositions to creating mainstream hits that stand the test of time. Warner Brothers has teamed up with Soap Studio to invite a handful of artists to reimagine the character elements of the beloved cartoons through their own unique lens! With a childhood divided between Hong Kong and Canada, Pucky grew up between two cultures, which prompted her to explore creatively the value of identity and the meaning of belonging. Now you can collect *Roadrunner* and *Wile E. Coyote* in a cute pucky stle with these collectible 8" Vinyl figures! (STL107808) **Item has been previously solicited in New to Order.** Scheduled to ship in January 2019. (6856) (C: 1-1-2)

STAR TREK DISCOVERY: KLINGON TORCHBEARER GALLERY STATUE

The Torchbearer is a Klingon ceremonial position, whose role is to activate the Beacon of Kahless to summon the 24 Great Houses as foretold in Klingon prophecy. Rejac was the Klingon Torchbearer that faced off against Starfleet First Officer Michael Burnham of the USS Shenzhou in the first episode of Star Trek: Discovery. Gentle Giant's artists worked directly with production to obtain original concept models, reference photos and authentic production files to accurately match and recreate the costume worn by the Torchbearer for our second *Star Trek: Discovery Collector's Gallery 1/8-Scale Statue*. The team at Gentle Giant Studios have a personal connection with this character as they helped 3-D print and prototype the costume used in production. Every detail of the costume, designed by Neville Page and Glen Hetrick, has been captured from the intricate armor plating, to the Klingon insignia to his Klingon bat'leth. This limited edition statue of the Star Trek: Discovery Klingon Torchbearer is hand-cast, hand-painted and hand-numbered with a limited edition Certificate of Authenticity. (STL108597) Scheduled to ship in June 2019. (5498/80887) (C: 1-1-2) **NOTE:** Available only in the United States, U.S. Territories, Canada, and the U.K.

STAR TREK DISCOVERY: MICHAEL BURNHAM "SPACE SUIT" GALLERY STATUE

Gentle Giant's artists worked directly with *Star Trek Discovery*'s producers to obtain original concept models, reference photos, and authentic production files to accurately match and recreate the costume worn by actor Sonequa Martin-Green for their first *Star Trek: Discovery Collector's Gallery 1/8-scale statue*. The detail in this piece has to be seen to be believed and looks stunning from every angle. Every detail of the space suit costume from the first episode has been captured: from the insignia shaped mesh, to the clear visor, to the jets, vents and scribe-lines of the suit. You can display her alone or have her facing off against the in-scale Klingon Torchbearer statue. This limited edition statue of First Officer Michael Burnam in her Starfleet long-haul space suit is hand-cast, hand-painted and hand-numbered with a limited edition Certificate of Authenticity. SPOTLIGHT ON

STAR WARS: THE PHANTOM MENACE FORCE FX DARTH MAUL LIGHTSABERS

At first, you weren't quite sure what they were, but they were powerful and wonderful. And even now, after over 30 years, you still want one. The time has come, friends, to join the ranks of the Jedi (or Sith). Time to arm yourself with one of the most beloved weapons of all time: the *Star Wars Force FX Lightsaber!* The Force FX part means these sabers are packed with movie accurate lights and sounds. The blades light from the bottom up and fade from the top down, and as you wait to strike, you hear that hum you've come to know and love. Each wave will trigger its own sound effect and each crash of saber on saber (or any other object) will also deliver an explosion of sound! Based on *Star Wars: The Phantom Menace*, choose from the lightsabers of *Obi-Wan Kenobi*, *Mace Windu*, and *Darth Maul*. Full length 45 1/2", requires 3 AA batteries (not included). OVERWATCH: HANZO 12-INCH STATUE

Hanzo Shimada is the son of the former master of the Shimada clan. From a young age, he had been groomed to take over leadership of the family as his father's successor. Upon the death of his father, the clan elders ordered *Hanzo* to straighten out his wayward younger brother, *Genji*, so that he, too, might help rule the *Shimada* empire. When *Genji* refused, *Hanzo* was forced to put him down. Believing he had killed his brother broke *Hanzo*'s heart and drove him to reject his father's legacy, ultimately leading him to abandon all that he had worked so hard to attain. Mastering his skills as a bowman, *Hanzo* now strives to prove himself as a warrior without peer and to put the ghosts of his past to rest. This highly detailed 12" statue features an impressive re-creation of every in-game detail in 3D! (STL096712) Scheduled to ship in February 2019. POP! ANIMATION: WOODY WOODPECKER VINYL FIGURE

Woody Woodpecker is admittedly a little on the loony side, but there's no denying that his laugh has to be one of the most distinctive sounds in the world. He'll be a boisterous addition to any collection, and should probably be kept away from wood shelving. A Woody Chase has a mallet to substantially increase the damage he can inflict. The figure stands 3 3/4" tall. Window box packaging. (STL107217) **Item has been previously solicited in New to Order.** Scheduled to ship in November 2018. (4552/32886) (C: 1-1-2) **NOTE:** Deny 154 plus UK.

MARVEL UNIVERSE WEAPON X FINE ART STATUE

Sculpted by Erick Sosa, this finely crafted statue depicts a grieving Wolverine who has escaped from the research facility where he was subjected to Experiment X, a brutal experiment that involved bonding the mutant's skeleton with admantium and erasing his memories. The statue recreates the scene where the fugitive mutant is running down a snowy mountain road after his escape, which is considered to a crucial point in the character's storyline. The diorama base is modeled after the harsh winter environment in the remote area of Alberta, Canada where Department K is located. Although the motif of the statue differs from the statues of the Danger Room Sessions series, Weapon X still looks great displayed alongside the other X-Men Fine Art Statues.

O/A THE INCREDIBLES MC-007: MR. INCREDIBLE 1/4-SCALE STATUE

From Beast Kingdom. **A *PREVIEWS* Exclusive!** The Master Craft series presented by Beast Kingdom brings you Mr. Incredible, the once famous superhero who enjoys leading a secluded life featured in the 2004 superhero animated film produced by Pixar: The Incredibles. With their masterful skills, the clay artists of Beast Kingdom carved out the soul of the animated character. Utilizing exquisite hand painting techniques, they reproduced with utmost perfection the former superhero who is now a "house husband." From his fiery eyes and combat ready stance, we can catch a glimpse of how his enthusiasm for cracking down crimes and proving himself has not diminished in the slightest. Even though he is no longer handsome and his glory no longer exists, even if all he has left is a plump body with a bulging waistline and very few muscles and a slick iconic hairstyle that has visibly thinned, nothing can extinguish his heroic spirit for safeguarding world justice and peace. Fancy this spirited middle-aged superhero? Enrich your treasured collections and enhance your home ambiance with the Master Craft series presented by Beast Kingdom. This 1/4 Scale statue stands 17" tall with a base that's 13" across. (STL091788) **Available Now!** (3389/MC-007) (C: 1-1-2) **NOTE:** Available only in the United States, Canada, and U.S. Territories.

X-MEN EAA-067: CYCLOPS FIGURE

From Beast Kingdom. **A *PREVIEWS* Exclusive!** Over half a century has passed since the series' debut in early 1963, but today, in 2018, the *X-Men* comics are still an unmatched classic to its fans. *Cyclops* incorporates the proportions of the Egg Attack Action cute version, featuring a newly developed, fully poseable body and high-elasticity fabric, making the figure faithful to the design from the original comics. A weathered and dirty finish will be combined with the cute design and lifelike effects to re-create Cyclops dressed in his classic blue battlesuit and the iconic ruby-quartz visor. In addition to the multiple interchangeable mouth shapes and hand gestures which can be mixed and matched according to your display scenario, we now offer even more special-effect accessories so that Cyclops can shoot out destructive beams proportional to the scenario and his level of fury. (STL106465) **Item has been previously solicited in New to Order.** Scheduled to ship in February 2019. (3389/EAA-067) (C: 1-1-2) **NOTE:** Available only in the United States, U.S. Territories, Canada, and Mexico.

MONSTER HUNTER

MONSTER HUNTER CAPCOM FIGURE BUILDER CREATORS MODEL: KUSHALA DAORA RESELL VERSION

From Capcom. The Kushala Daoras were introduced in *Monster Hunter 2* and belong to the Elder Dragons. They are very aggressive and can create storms that threaten whole cities. Their strong skin is made of metal and prone to rust, which leads to them shedding their skin every once in a while. Capcom has now portrayed a freshly shed specimen as a figure and put a lot of material in it. The result is pretty impressive and measures a stunning 12" in height including the large base. A great piece for all fans of dragons! (STL106935) **Item has been previously solicited in New to Order.** Scheduled to ship in May 2019. (6817) (C: 1-1-2) **NOTE:** Available only in the United States, Canada, and U.S. Territories.

BLADE ARCUS FROM SHINING EX: ALTINA ELF PRINCESS 1/7-SCALE PVC FIGURE

From Aquamarine. From the fighting game featuring a cast of popular characters from the popular *Shining Force* RPG series, *Blade Arcus From Shining EX* comes a scale figure of *Altina*, Elf Princess of the Silver Forest! This figure features the typically very serious princess in a surprising pose! She has a somewhat confused look on her face as she rests against a log, giving off a very sensual aura. Everything from her gently closed hand to her outfit decorated with gold accents and her long ears and flowing hair has been sculpted with great attention to detail. The log and Altina are not directly connected allowing you to freely display her however you'd like. (STL107500) **Item has been previously solicited in New to Order.** Scheduled to ship in June 2019. (6817/AQ65102) (C: 1-1-2) **NOTE:** Available only in the United States, Canada, and U.S. Territories.

NIGHTCRY: SCISSORWALKER 1/6 PVC STATUE

From Gecco. Scissorwalker, the brutal killer who stalks and terrifies players in the horror adventure game *NightCry* is recreated as 1/6-scale statue. Both the sharp blade and heavy blunt edge of the giant scissors are faithfully sculpted, and the detailed bloodstain paint enhances the cruelty of the murder weapon used for cutting a human body in half in one attack! The mysterious body surface appears like a mixture of hair and dirt with other fine details. The texture of the sinister decayed hood is realistically captured. The thin objects around the neck, which seem to be made of hardwood's skin is sculpted to give the impression of a hard material. The eye of the pitiless murderer is painted in a mysterious glossy black hue adding to the horrified look. (STL105425) **Item has been previously solicited in New to Order.** Scheduled to ship in August 2019. STAR TREK

STAR TREK DISCOVERY: MIRROR UNIVERSE MAGNETIC BADGES

From Quantum Mechanix. In the mirror universe, people and places take on opposite characteristics of those in the parallel prime universe. The mirror universe's Terran Empire is a repressive interstellar body dominated by the people from Earth. Its counterpart is the United Federation of Planets in the prime universe. What sets this wearable badge apart from the original is the Qmx signature clasp, which uses strong, short-field magnets that are embedded in each badge itself and in a glossy backplate. No more pinholes in delicate fabric. The badge can even be worn on leather and suede. Choose from Bronze, Silver, or Gold badges. STARFINDER ADVENTURE PATH: DAWN OF FLAME PART 1: FIRE STARTERS

(W) James L. Sutter

A magical portal to the Plane of Fire disappears into the sun just after creatures exit it for the first time in recorded history. An overwhelming telepathic burst from within the sun quickly follows, and a scientist recruits the heroes to help her find out what's going on. The mission takes the heroes to the Burning Archipelago, a bubble city in the sun's atmosphere, and Asanatown, the lashunta enclave there, to meet with another scientist who can help. Before that meeting can happen, however, the recent psychic disturbance leads radicals among the telepathically sensitive lashuntas to take matters into their own hands, closing Asanatown off from the rest of the sun-based city. Trapped, the heroes must rescue their contact and return power to the proper authorities to escape! (STL099018)

DRACARYS DICE GAME

You're playing with fire when you roll the *Dracarys Dice*! Be the first player to get rid of all of your dice to win the game! Roll dragons and dispatch them to invade your opponents. Any injured knights rolled flee and are removed from the game. Roll fireballs and those dice are moved to the center of the play area, creating an ever-growing inferno. But be careful, because if you fail to roll any fireballs on your turn... *DRACARYS!* You get *BURNED* and must take all the center dice for yourself! Will you dispatch your dragons to vanquish your foes and go out in a blaze of glory? This game comes with 20 customized dice and is designed for 2 to 5 players ages 10 and up. LIONS AND TIGERS AND BEARS, OH MY! DICE GAME

The fiercest creatures become the most fun when you play *Lions and Tigers and Bears, Oh My!* In this fast-paced, easy-to-learn dice rolling game, each player rolls the dice and score based on who can boast the best beasts. Kingly lions are worth three points, Tigers nab two points, and Bears bring one point each. If you roll a blank, Oh My!, that die is removed from play. On each turn, you can only choose one type of animal count towards your score, so choose wisely! Once you choose your scoring animal, you can re-roll the rest of your dice to see if you can score some more. But, be careful as any blanks you get from re-rolling will cause you to lose that die for the rest of the game. STAR WARS: THE EMPIRE STRIKES BACK BLACK & WHITE TRADING CARDS

Although the boxes may be small, the 2019 Topps *Star Wars: Empire Strikes Back* Black and White base set isn't. Like the first Black and White set, the checklist consists of 150 cards. Parallels add a splash of color-as in one color each. Sepia are the most common, falling one per pack. Hue Shift parallel colors include Blue (1:4 packs), Green (/99), Purple (/25), Red (/10) and Orange (/5), which are new to this set. Metal parallels, which are done on metal stock, are one-of-ones. Autographs in *Empire Strikes Back* Black and White take a similar approach as the main set, Hue Shift parallels are available in limited numbers And Dual Autographs and a one-of-a-kind Six-Person Autograph are also randomly inserted. Sketch cards all come with original drawings and artwork. 2019 Topps *Star Wars: Empire Strikes Back* Black and White has some more basic inserts as well. These delve into the production and marketing of the movie. The checklist rounds out with Iconic Characters and Posters. 8 cards per pack, 7 packs per box.
